		accordance with the Regulation 8(2) of the SEBI (SAST) Regulations as on the date of PA. The shareholders may independently evaluate the offer price vis-à-vis market price and take an informed decision in the best of their interests.
12.	Summary of reasons for recommendation (IDC may also invite attention to any other place, e.g. company's website, where its detailed recommendations along with written advice of the independent adviser, if any can be seen by the shareholder)	IDC has evaluated the Public Announcement ("PA"), Detailed Public Statement ("DPS"), Draft Letter of Offer ("DLOF") and Letter of Offer ("LOF") prepared by Manager to the Offer for and on behalf of Acquirers and PACs and the valuation report prepared by independent Chartered Accountant and Registered Valuer. Based on the above, the IDC is of the opinion that the Offer Price, being offered by the Acquirers and PACs of Rs. 23.35 per fully paid-up Equity Share is fair and reasonable and recommends the acceptance of the Open Offer, in the light of the following: • The shares were frequently traded on the stock exchange as on the date of PA. • The Offer Price offered by the Acquirers and PACs is in line with the regulation prescribed by SEBI under the SEBI (SAST) Regulations and prima facie appears to be justified. • The Preferential issue price as calculated as per Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 for Equity Shares and Convertible Warrants to be Issued to the Acquirers, PACs and others (public shareholders) is Rs. 23.10/-. • The Offer Price offered by the Acquirers and PACs of Rs. 23.35/- is higher than the issue cum allotment price of Rs. 23.10/- per Equity Share and Warrants offered in Preferential Allotment to the Acquirers, PACs and Others (public shareholders). However, IDC would like to draw attention of the shareholders that post the Public Announcement dated August 07, 2026, the share price of the Company has increased, and the current share price is higher than the Offer Price. However, it is advised to the shareholders to independently evaluate the open offer vis-à-vis current share price and take an informed decision before participating in the Offer.
13.	Disclosure of Voting Pattern of IDC	Members of IDC were present in the meeting, and the recommendations were unanimously approved by them.
