This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25 Interim Financial Reporting issued pursuant to The Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of The Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the listing agreement with stock exchanges including the manner in which it is to be disclosed, or that it contains any material misstatement.
