Management Comment

Commenting on the Volume Growth,

Mr. Ajay Kumar Bansal, Chairman and Managing Director, Hitech Pipes Ltd. said,

The Company is continuing its journey of success quarter after quarter and achieved volume growth of 45% in Q4 FY 19.

During this quarter volume of Galvanized Tubes & of Pre Galvanized Tubes has increased significantly.

In full financial year 2018-19 also volume of Galvanized Tubes and volume of Pre Galvanized Tubes has increased significantly.

Now prices of steel has stabilizes & after formation of New Government in the Country, it is expected that growth of Infrastructure development will be at its highest pace.

We are confident that story of excellent performance in all the fronts will continue in FY 2020 also.
