- The all-new Hyundai VENUE N Line redefines safety with ADAS Level 2 and more than 70 advanced safety and 41 standard safety features
- [Link for images](#)

**Gurugram, November 04, 2025:** Hyundai Motor India Limited today marked a significant milestone with the global debut of the all-new Hyundai VENUE and Hyundai VENUE N Line, redefining the compact SUV segment with a bold new design, advanced technology and exhilarating performance. A game-changer in the compact SUV segment, the all-new Hyundai VENUE and Hyundai VENUE N Line embodies the spirit of Tech up. Go beyond, reflecting brand's progressive vision of making every drive smarter, safer and more connected. Crafted for those who aspire for more and seek extraordinary experiences in every journey, the dynamic SUV duo deliver enhanced style, cutting-edge technology and thrilling performance behind the wheel. With starting prices of INR 7 89 900 (ex-

showroom), the all-new Hyundai VENUE will make the future of mobility more accessible than ever, turning new-age aspirations into everyday reality.

**Speaking at the launch, Mr. Unsoo Kim, Managing Director, Hyundai Motor India Limited, said** “At HMIL, our commitment to India runs deep. We have recently announced an investment of over INR 45,000 crores, reaffirming our long-term vision for this vibrant market. The all-new Hyundai VENUE marks the beginning of an exciting new chapter and it is the first product to roll out from our state-of-the-art Pune manufacturing plant and the first among the 26 products we plan to introduce by 2030. The launch of the all-new Hyundai VENUE and Hyundai VENUE N Line represents a significant milestone in our journey of automotive excellence.”

**Presenting the all-new Hyundai VENUE and Hyundai VENUE N Line, Mr. Tarun Garg, Whole-Time Director & COO, Hyundai Motor India Limited, said** “Since its debut in 2019, the Hyundai VENUE has been one of the most successful nameplates in our SUV lineup, with over 7 lakh units sold and a consistent position among the top three compact SUVs in India. VENUE has played a pivotal role in strengthening Hyundai’s SUV leadership and shaping our identity as a progressive and customer-centric brand. Preferred by young, aspirational working professionals who seek performance, Hyundai VENUE has become a symbol of dynamic urban mobility and spirited individuality. With the launch of the all-new Hyundai VENUE and VENUE N Line, we are taking this success story to the next level. The new Hyundai VENUE embodies disruptive design, advanced technology, superior safety and exhilarating performance, setting new benchmarks in the compact SUV segment. It also marks a proud moment for Hyundai Motor India, as the all-new Hyundai VENUE will now be exclusively manufactured in India for global markets - a true testament to the ‘Make in India for the World’ vision and the growing role of HMIL in Hyundai Motor Company’s global strategy.”

## **The all-new Hyundai VENUE**

### **Assertive Exteriors:**

The all-new Hyundai VENUE commands the road with its confident stance, powerful unique language and a striking presence. The SUV’s confident stance is underscored by its taller and wider body dimensions, reinforcing a powerful and unique SUV imagery.
