Dear Sir/Ma'am

Sub: Advance intimation regarding price increase

In continuation to our earlier letter dated April 08, 2026 submitted in respect of price increase on Hyundai cars, considering the prevailing market conditions and to ensure balanced approach towards customer interest, we would like to inform that the new prices will now be made effective from June 01, 2026. The extent of price increase is up to a maximum of Rs. 12,800/- and it will vary depending on the model and variant.

The price increase has been necessitated due to rising input costs, increased commodity prices and higher operational expenses, amongst other reasons.

While the company continuously strives to optimize costs and minimize the impact on its customers, the company is constrained to pass on some of the increased costs to the market through this nominal price increase.

We request you to take this on record.

Thanking you,

For **Hyundai Motor India Limited**
