Subject: Intimation regarding commencement of operations of a new franchise outlet in Gurugram, Haryana

Dear Sir/Madam,

Pursuant to applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform the stakeholders that the Company has further strengthened its retail presence in the National Capital Region through the commencement of operations of a new franchise outlet under the “**Hariom**” brand at the following location:

Outlet Address:

AG-34, Unitech Arcadia, South City-2,
Sector-49, Gurugram, Haryana – 122018, India

The outlet is being operated by the Company's franchise partner **Neelam Enterprises** and marks another significant step in expanding the Company's presence in the high-potential Gurugram market.

With this addition, the Company has substantially strengthened its footprint across Gurugram and the broader Delhi-NCR region. The management believes that Gurugram continues to be one of the most attractive consumer markets for the Company's fresh atta, spices, pulses, rice, edible oils, and other FMCG products.

Franchise Network Strength

The Company takes pride in the fact that a majority of its franchise partners have expanded their association with the brand by operating multiple HOAC outlets. This reflects the confidence of existing franchise partners in the Company's business model, product quality, operational support framework, and long-term growth prospects.

Rather than focusing solely on increasing the number of franchisees, the Company remains committed to strengthening the business performance and profitability of its existing franchise partners. The management believes that sustainable growth is best demonstrated when current franchise partners continue to invest in and expand within the HOAC ecosystem by opening additional outlets.

This franchise expansion reinforces the Company's confidence in the scalability of its retail model and highlights the significant growth potential available within its existing partner network.

The Company remains focused on expanding its retail presence, strengthening customer reach, and creating long-term value for all stakeholders.

Kindly take the above information on record.
