Subject: Clarification on financial results submitted in XBRL with discrepancies

Dear Sir/Ma'am,

With reference to your emails dated August 04, 2025 regarding discrepancies in the financial results submitted in Consolidated XBRL format, we would like to provide the following clarification:

We have already submitted the XBRL files (both Standalone and Consolidated) for the half year and financial year ended March 31, 2025, to the Exchange where, EPS mentioned in the XBRL is incorrectly stated as 6.79, whereas the correct value is 6.76, as mentioned in the Financials uploaded under the tab: 'Financial Result Updates'. This discrepancy is due to a typographical error.

Further, we wish to confirm that we already revised consolidated financial results EPS i.e. 6.76 in XBRL file for the same period and it has been duly uploaded to the Exchange on dated July 22, 2025.

We trust this clarifies the matter. Please let us know in case any further information or action is required from our end.

Yours sincerely,

For **HOAC Foods India Limited**
