Subject: Commencement of New Export Operations and Entry into the United States Market

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, HOAC Foods India Limited is pleased to inform its stakeholders that our wholly owned subsidiary, **HOAC Exports Private Limited**, has successfully commenced a new chapter in its global expansion strategy by entering the **United States market**.

We are delighted to report that the company has **received its first confirmed export order from USA**, valued at approximately **₹60 lakhs**. This marks a significant milestone in our efforts to establish HOAC Foods as a global supplier of high-quality food products.

Additionally, the company currently has **strong order book for exports in the active pipeline**, which are expected to be executed in the coming quarters. These orders reflect growing international demand for our products and demonstrate the strong acceptance of the HOAC brand in global markets.

Furthermore, the company is in advanced discussions to expand export operations to **Canada and Australia**, and we are confident that these markets will be successfully converted in the near future.

The management views this development as an important strategic step in strengthening the company's presence in international markets and enhancing long-term revenue visibility.
