Sub: Commercial production of Company's newly set-up Steel Pipe Plant at Hindupur (A.P) for manufacturing of ERW Black and GI Pipes

Dear Sir/ Madam,

We hereby wish to inform that the company has commissioned a new state –of-art **Steel Tube and Pipes** manufacturing unit at Hindupur (Andhra Pradesh) with an installed capacity of 60000 MTPA (Metric tonnes per annum).

This facility is installed under its wholly owned subsidiary M/s HTL Metal private Limited and with this set up, the management of Company believes that the Company's position in the emerging market, especially in high end segments in south India will strengthen further and that will enable the company to extend its **PAN-INDIA** manufacturing footprints.

This setup aims to reduce logistic expenses and endows better customer services offering tremendous opportunity for indigenous industries. In addition to these visible benefits, Company is also planning to magnify the capacity and production in the upcoming years.

The Company is delighted by the over whelming response of its quality products in the region.

This for your information and record.

Yours faithfully,

for **Hi-Tech Pipes Limited**
