Dear Sir,

Sub.: Order from Konkola Copper Mines Plc, Zmabia

We are pleased to inform you that **HINDUSTAN DORR-OLIVER LIMITED** has bagged an order from Konkola Copper Mines Plc, Zambia for Residual Basic Engineering, Detailed Engineering, Procurement, Supply, Fabrication, Erection and Commissioning for a total value of USD 85 Million for expansion of their copper refinery at Chingola, Zambia. This is a major breakthrough for HDO globally in Minerals and Metal sector. The Company is already supplying equipments in the global markets for various process industries.

HDO has vast experience in Minerals & Metals and provides project management, engineering, procurement and construction services for each step in the mineral and metal recovery process, including mineral processing, smelting and refining. HDO being a pioneer in this field has served almost all the Alumina Refineries in India. HDO is also a pioneer in Uranium sector and is currently building Greenfield Ore Mining and Processing facility of capacity 3000 Tonnes per day in Andhra Pradesh for Uranium Corporation of India Limited, Government of India.

The company also has an expertise in iron ore beneficiation and pelletisation in the steel sector.

With this project Hindustan Dorr Oliver Limited has made a beginning for opportunities overseas in the sector of Minerals and Metals. Zambia has got a lot of potential for other Mineral projects coming up and HDO looks for future business from these types of projects.

This is for your kind information.

Thanking you,

Yours truly,

For Hindustan Dorr-Oliver Ltd.

Company Secretary
