HINDUSTAN DORR-OLIVER LIMITED

Hindustan Dorr-Oliver Limited bags prestigious orders worth about 1350 Million INR in their Minerals and Water Sector.

The Company has bagged a prestigious order from Government of India, Heavy Water Board, Mumbai worth 630 Million INR towards Design, Engineering, and Manufacture & Construction on LSTK basis for centralized conversion facility of Uranyl Nitrite to Uranium Oxide. This plant shall be located at the Department of Atomic Energy at their Kalpakkam facility. The Company shall be executing this project on LSTK basis with completion period of 16 months and shall also provide commissioning assistance for a period of 6 months.

The Company has also bagged a prestigious order worth 365 Million INR for complete ETP plant for first ever Aromatic complex from ONGC – Mangalore Petrochemicals Limited. This order is for complete Effluent Treatment Plant of capacity 200 cum/hr for Aromatic complex in Managalore SEZ Area. This project is to be executed in 20 months. M/s Toyo Engineering Limited is the Project Management Consultant for the project. HDO will be responsible for Project Management, Residual Basic Design, Detail Engineering, Procurement, Supply, Fabrication, Inspection, Transportation, Storage, Construction, Installation, Testing, Mechanical Completion, Commissioning and Performance Guarantee Test Run of project.

Further, the Company has bagged an order worth 350 Million INR from Bharat Aluminium Company Ltd.(BALCO) at Korba towards execution of complete In-plant Air and Water piping system. The piping system shall cater to the complete air and water requirement for the Smelter unit. HDO has executed two similar projects for Vedanta's Jharsuguda plants earlier for 820 Million and has bagged repeat order now from BALCO. HDO shall execute this contract within a period of 10 months.

The Company has also developed their Manufacturing facility at Ahmedabad to meet the requirements of Nuclear Component Manufacturing and they are already L-1 for a value of 520 Millions of supply of Heat Exchangers and Pressure Vessels for the upcoming projects of Nuclear Power Corporation of India Ltd. in Rajasthan and Gujarat. The Company has also participated in various EPC Projects of large volume for the above upcoming nuclear projects.

HDO is already been associated with Atomic Energy division and they are already executing a project for 4410 Million INR Uranium Process Plant at Kadapa, Andhra Pradesh and this plant will be commissioned in 2011.

HDO has also made a 100% acquisition of Davy Markham, Sheffield, U.K. in early 2010. Davy Markham has expertise and qualification in Nuclear sector in European Nuclear manufacturing.

The Company as on date has 45000 Million of order bids under process.
