License agreement between HDO & BHT

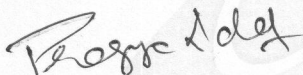

Hindustan Dorr-Oliver Limited (HDO) has joined hands with Bronswerk Heat Transfer BV, Netherlands (BHT), a six decade old leading Technology and Manufacturing company which supplies technology based equipments viz., Air cooled Heat Exchangers and High pressure Heat Exchangers to various process plants, process license holders, plant construction companies, OEM and leading global consultants in the area of **Oil & Gas, Refinery, Petrochemical and Power Plants.**

HDO is a leading Engineering EPC player in diversified business areas like Minerals and metals, Water, Fertilisers and Paper and Pulp on "concept to commissioning basis". It has a huge state of art manufacturing facility in Vatva, Ahmedabad where it manufactures all equipments required for its EPC business and also manufactures Heat Exchangers and Pressure Vessels for Hydrocarbon sector. This technology tie-up provides HDO with entry in High Pressure Heat Exchanger space and exploring and expanding into new sectors with Bronswerk Heat Transfer BV, Netherlands.

Hindustan Dorr-Oliver Limited is Bronswerk, Netherlands first manufacturing partner in South East Asia and with the help of HDO's manufacturing strength as well as market reputé and technical expertise of BHT, it will be possible for them to jointly explore and tap a substantial market share of the new product range added by virtue of this tie up both in India and Middle-East.

Further this collaboration will also facilitate BHT to compete in European, USA and Middle east market effectively by manufacturing critical equipment at HDO works located at Vatva, Ahmedabad.
