IC Electricals Secures ₹4.89 Crore Export Order USA based customer through M/s Safe Coils India Private Limited, a Subsidiary of IC Electricals Company Limited; Export Order Book Crosses ₹17.20 Crore

New Delhi, July 14, 2026: IC Electricals Company Limited (NSE - SME: ICELCO), a leading manufacturer of railway electrical and electronic equipment and a provider of turnkey railway electrification solutions, has received an export purchase order worth **USD 5,10,000 (approximately ₹4.89 Crore)** through its **subsidiary**, **M/s Safe Coils India Private Limited**.

With this order, the Company's **total unexecuted export order book has increased to USD 1,800,000 (approximately ₹17.20 Crore)**, representing **a growth of over 300% compared with the export orders executed during FY 2025-26**. This milestone reinforces IC Electricals expanding global footprint and the growing acceptance of its products in international railway markets.

Management Commentary

Commenting on the development, **Mr. Sunil Kumar Verma, Managing Director, IC Electricals Company Limited, said:**

*" We are delighted to receive this export order worth **USD 5,10,000 (approximately ₹4.89 Crore)** from USA based customer through **M/s Safe Coils India Private Limited a subsidiary of IC Electricals Company Limited.** This order has taken our total unexecuted export order book to **USD 18,00,000 (approximately ₹17.20 Crore)**, representing a growth of over **300%** compared with the export orders executed in FY 2025-26.*

This achievement reflects the confidence international customers place in our manufacturing excellence, engineering capabilities, and quality standards. We remain committed to strengthening our global presence, expanding into new export markets, and leveraging our diversified railway product portfolio to drive sustainable long-term growth."

About IC Electricals Company Limited

IC Electricals Company Limited (The Company, IC Electricals) is involved in manufacturing electronic equipment for Railway applications and provides advanced engineering solutions to Indian Railways.
