INDO COUNT INDUSTRIES LTD

Notes to the reconciliation:

- a. Actuarial gain / loss on employee benefits:
Under Ind-AS actuarial gains or losses on defined benefit obligations are recognised in other comprehensive income, whereas under previous GAAP same were being charged to statement of profit and loss.
 - b. Deferred Tax:
Under Indian GAAP, deferred taxes are recognised using income statement approach i.e. reflecting the tax effects of timing differences between accounting income and taxable income for the period. Under Ind-AS, deferred taxes are recognised using balance sheet approach i.e. reflecting the tax effects of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes using the income tax rates enacted or substantively enacted at reporting date.
 - c. Deemed cost for property, plant and equipment:
The company has elected to use previous GAAP revaluation of items of property, plant and equipment at, or before, the date of transition to Ind-AS as deemed cost. Hence, depreciation and profit/loss on sale of assets impact on revalued carrying amount of fixed assets deemed as cost of property, plant and equipment charged to profit and loss account.
 - d. Preference Dividend:
Cumulative non-convertible preference shares have been classified as debt as per Ind-AS. Dividend and dividend distribution tax for the period charged to profit and loss account on accrual basis.
 - e. Upfront Fees on Long Term Borrowings:
Under Indian GAAP, the company had charged off certain loan origination/upfront fees paid to the banks for facilitating the term loans, as finance cost in the respective year of incurrence. Under Ind-As, such financial liabilities, classified to be carried at amortised cost basis, resulting in reduction of finance cost (net of amortisation) and classified as prepaid expenses.
 - f. Mark to Market Gain/Loss on Derivative Contracts:
Under Indian GAAP, the net mark to market gain/losses on derivative financial instruments, as at the Balance Sheet date, were not recognised in profit and loss account. Under Ind-AS, such derivative financial instruments are to be recognised at fair value. Net mark to market gain recognised at the date of transition to Ind-AS as derivative asset and adjusted with retained earnings. Movement during the period is recognised in profit and loss account.
 - g. Long Term Security Deposits:
Under Indian GAAP the interest free security deposits, with fixed terms, were considered at cost basis. Under Ind-AS these financial assets have been adjusted to be carried at amortised cost, resulting in the impact of the present value being treated as cost and the interest accrual recorded to restate the asset balance over its term.
 - h. Exchange difference on transition of Foreign Operations:
Under Indian GAAP the exchange difference on transition of foreign operations were considered under reserves. Under Ind-AS this difference is recognised under statement of profit and loss.
8. In terms of SEBI Circular CIR/CFD/CMD56/2016 dated May 27,2016 the Company hereby declares that the Auditors have issued Audit Reports with unmodified opinion on annual audited financial results for the financial year ended March 31,2017.

An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of two subsidiaries included in the consolidated year to date financial results, whose consolidated financial statements reflect total assets of Rs.151.23 crores as at 31st March 2017 as well as the total revenue of Rs.326.40 crores as at 31st March 2017. These financial statements and other financial information have been audited by other auditors whose report has been furnished to us, and our opinion on the year to date financial results, to the extent they have been derived from such financial statements is based solely on the report of such other auditors.

In our opinion and to the best of our information and according to the explanations given to us these consolidated year to date financial results:

- (i) include the year to date financial result of Indo Count Industries Limited, Pranavaditya Spinning Mills Limited, Indo Count Retail Ventures Private Limited, Indo Count Global Inc, USA and Indo Count U.K. Limited.
