Limited Review Report

To
The Board of Directors
CURA TECHNOLOGIES LIMITED
Hyderabad.

We have reviewed the accompanying statement of unaudited financial results of CURA TECHNOLOGIES LIMITED for the quarter ended 30th June 2017. The statement has been prepared by the company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (The "Listing Regulations, 2015") which has been initialized by us for identification purposes. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by Independent Auditor of Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results has not disclosed the information required to be disclosed in terms of regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement except:

a) The statement of unaudited financial results of the company is not in compliance with the Indian Accounting standards, prescribed under Sec.133 of Companies Act, 2013, read with rule 7 of the companies (Accounts) Rules, 2014 and Accounting standard 34, Interim Financial Reporting and other recognized accounting practices and policies.
