WhatsApp said to hasten payments push in India

BLOOMBERG
Mumbai, May 29

FACEBOOK is SET to offer its WhatsApp payment services to the whole of India as early as next week in an attempt to win market share, even though its partners aren't all ready, said people familiar with the matter.

The messaging app will partner HDFC Bank, ICICI Bank and Axis Bank to process the transactions, and State Bank of India will join once it has the necessary

systems in place, the people said. Facebook was aiming for a full rollout with four partners but decided to go ahead with just three as its rivals were racing ahead, the people said, asking not to be named as the information isn't public.

The entry of WhatsApp into India's payments space has been linked to WeChat, which reshaped payments in China when it expanded beyond messaging. The pilot version of WhatsApp Pay — started with 1

million users in February — received rare reviews, threatening the market share of incumbents Google Pay and Alibababack Paytm, which lack the benefits of a social network.

WhatsApp has a great starting point. A monopoly in chat,

said Vivek Belagi, leader for financial technology at PwC India. "High engagement makes it a credible competitor."

More than 200 million Indians already use WhatsApp messaging, equivalent to 60% of the US population and a daily active usage that Forrester estimates to be about 20 times higher than Paytm's. Emails to representatives of WhatsApp, State Bank of India, HDFC Bank, ICICI Bank and Axis Bank weren't immediately answered.

Fortis unit directed to pay ₹503 cr to DGHS within a month

PRESS TRUST OF INDIA
New Delhi, May 29

FORTIS HEALTHCARE ON Tuesday said its subsidiary Escort Heart Institute and Research Centre (EHIRC) has been directed to deposit ₹503.36 crore to the Director General of Health Services (DGHS) within a month on account of unwarranted profit.

Fortis said EHIRC had received an order dated June 9, 2016, from the DGHS for the recovery of ₹503.36 crore on

account of unwarranted profit allegedly made by it by not complying with the conditions of allotment letter/lease deed.

"A writ petition was filed by EHIRC before Hon'ble High Court of Delhi challenging the order, subsequently Delhi High Court set aside the demand of ₹503.36 crore and the matter was remanded to the Special Committee for hearing," Fortis said in a regulatory filing.

It further said, EHIRC has informed that the Office of the Special Committee will order

Escort Heart Institute and Research Centre has been directed to deposit ₹503.36 crore on account of unwarranted profit

dated May 28, 2018, has directed it to deposit an amount of ₹503.36 crore in the account of the Delhi Government in favour of Director General of Health Services within a month of receiving this order.

Fortis said EHIRC is in the process of evaluating available legal recourse as may be advised in this regard.

At present, Fortis is in the process of inducing new investor to the company. There were five bidders in the race for Fortis Healthcare, of which only four made binding bids. Besides the Munjab-Bummas, Manipal-TGC and IHH Healthcare, KKR-backed Liant Health Care had also put in bidding offer. China's Pousin Healthcare did not make a binding bid for Fortis.
