Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (“SEBI Listing Regulations”).

Dear Sir/Madam,

With reference to the above-captioned subject, we wish to inform that the International Carbon Exchange Private Limited (“ICX”), a wholly-owned subsidiary of Indian Energy Exchange Limited, has entered into an “Issuer Agreement” with the International Tracking Standard Foundation (“I-TRACK Foundation”), having its office at De Mortel 2D, 5211HV - Hertogenbosch, The Netherlands, and Evident EV Ltd. (“Evident”), having its office at 400 Springvale Road, Sheffield SP10 1LP, United Kingdom.

This agreement authorizes ICX to act as a Local Issuer of International Renewable Energy Certificates (“I-REC”) in the Indian market. As part of this role, ICX will be responsible for registering Production Facilities and issuing I-RECs on the Registry managed by Evident for India.

About ICX:

ICX is a wholly owned subsidiary of the Indian Energy Exchange limited established in the year 2022. ICX has been established to focus on environmental attribute certificates and develop market-based mechanisms to promote environmental support activities.

About I-TRACK:

“International Tracking Standard Foundation (I-TRACK Foundation) is a non-profit organization that provides a robust standard for developing attribute tracking systems. I-TRACK Foundation is acknowledged by major reporting frameworks such as the Greenhouse Gas Protocol (GHGP), CDP, and RE100 as a reliable backbone for credible and auditable tracking instruments. It ensures the highest quality systems and adherence to best practices designed to avoid double counting, double certificate issuance, and double attribute claims.”

About Evident:

The Evident EV Ltd. Is a Registry that provides a fully auditable chain of custody record to support the trading of energy attribute certificates and uniquely verifiable claims of ownership by end-users.
