Dear Sir/Madam,

Sub: First upgrade to AAA rating: Brickwork Ratings Upgrades the Company's Long-term Credit Rating to 'BWR AAA' with Stable Outlook

Brickwork Ratings ("BWR") has upgraded the credit rating on the long-term debt programme of Sammaan Capital Limited ("the Company") to 'BWR AAA/Stable'.

BWR, in upgrading the ratings of the Company, has cited the following factors:

- Strong parentage and support in the form of financial and managerial support
- Experienced Board and Management team
- Comfortable Capitalisation Position

With this, all the major domestic and international credit rating agencies covering the Company viz CRISIL, ICRA, S&P, and CARE have now upgraded their ratings following IHC's investment in the Company on March 31, 2026.

The successive rating upgrades have already translated into a meaningful reduction in the Company's incremental borrowing costs and funding access. Enhanced funding access and a lower cost of funds will strengthen the Company's competitive position, support higher disbursements and accelerate execution of its growth strategy.

This disclosure is being made pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

You are requested to take the above information on record.

Thanking you,

Yours truly,
For **Sammaan Capital Limited**
