3) Purpose / objects of the Preferential Issue:

The Company intends to utilize the proceeds raised through the Preferential Issue (“Issue Proceeds”) towards the following objects (“Objects”):

- (i) The Company shall utilise 80% of the Issue Proceeds (i.e., INR 70,79,99,99,835.20) to meet the funding requirements and growth objectives, including to augment the Company’s capital base, and improve leverage ratio, for onward lending and financing business by way of disbursement of loans to borrowers in the ordinary course of business of the Company and Sammaan Finserve Limited (“SFL”, subsidiary of the Company (with the amount to be utilised by SFL being up to INR 1500 Crore), including under the Company and SFL’s business of offering loans towards the following:
 - a) Housing loans to individuals for construction/purchase/reconstruction of dwelling unit;
 - b) Loans to developers for construction of residential units, to be occupied by individuals;
 - c) Loans to corporates for employee housing;
 - d) Secured/mortgaged backed loans to MSMEs/corporates;
 - e) Loans against property to (i) salaried employees; (ii) self-employed individuals; and (iii) corporates, for working capital requirements, and other personal/business needs;
 - f) Mortgage loans to real estate developers in India in the form of lease rental discounting for commercial premises; and
 - g) Construction finance for the construction of commercial premises,

in such manner and proportion as may be decided by the Board from time to time, in compliance with applicable laws (“Onward Lending Purposes”); and

- (ii) The Company shall utilise 20% of the Issue Proceeds (i.e. INR 17,69,99,99,958.80) for general corporate purposes (which is less than 25% of the Issue Proceeds, as permitted under applicable law), which inter alia includes meeting ongoing general corporate exigencies and contingencies, expenses of the Company as applicable, in such a manner and proportion as may be decided by the Board from time to time, and/or any other general purposes as may be permissible under applicable laws (“General Corporate Purposes”).

Utilisation of Issue Proceeds: Considering the growth capital requirement of the Company while maintaining an optimal capital structure for the Company, the Issue Proceeds are split between Subscription Shares and Subscription Warrants.

Given that the Preferential Issue is also for Subscription Warrants, the funds to be received against the Subscription Warrants conversion, will be in tranches and the quantum of funds required on different dates may vary, therefore, the broad range of intended uses of the Issue Proceeds for the Objects is set out below:

Sr. No.	Particulars	Total estimated amount to be utilised for each of the Objects (in INR crore)*	Tentative timelines for utilization of Issue Proceeds from the date of receipt of funds*
1.	Onward Lending Purposes	80% (i.e. INR 70,79,99,99,835.20)	Within 12 months from the receipt of funds for Subscription Shares and Subscription Warrants.**
2.	General Corporate Purposes	20% (i.e. INR 17,69,99,99,958.80)	Within 12 months from the receipt of funds for Subscription Shares and Subscription Warrants.**
	Total	100% (i.e. INR 88,49,99,99,794.00)	

*Assuming that the Investor exercises and converts all the Subscription Warrants into equivalent number of Equity Shares, and receipt of funds on such conversion.

** Given that the Preferential Issue also involves issuance of Subscription Warrants, the entire Issue Proceeds will be received by the Company in one or more tranches at any time between the date of allotment of the Subscription Warrants and the expiry of 18 (eighteen) months thereof. It is estimated by the management of the Company that the entire Issue Proceeds will be utilized for the specified Objects (as set out above), in phases, based on the Company’s business needs and fund availability, within 12 months from the receipt of all funds.

In terms of the NSE Circular No. NSE/CML/2022/56 dated December 13, 2022 (“NSE Circular”) and the BSE Circular No. 20221213-47 dated December 13, 2022 (“BSE Circular”), the amounts specified for the Objects may deviate +/-10% as the fund requirements are based on management estimates, market conditions, business needs and other commercial and technical factors and the actual deployment of funds at each stage and the proposed utilization schedule will depend on a number of factors such as financial, market and sectoral conditions, business performance and strategy, and other external factors, which may not be within the control of the Company and may result in modifications to the proposed schedule for utilization of the net proceeds at the discretion of the Board (or a committee thereof), subject to compliance with applicable laws. Any deviation in estimation of the Objects, as permitted above (i.e. +/-10% deviation as permitted under the NSE Circular and BSE Circular), shall be used only towards the said Objects inter-se and shall not be utilised towards General Corporate Purposes.

If the Issue Proceeds are not utilised (in full or in part) for the Objects during the period stated above due to any such factors, the remaining Issue Proceeds shall be utilised in subsequent periods in such manner as may be determined by the Board (or a committee thereof), in accordance with applicable laws. This may entail rescheduling and revising the planned expenditure and funding requirements and increasing or decreasing the expenditure for a particular purpose from the planned expenditure as may be determined by the Board (or a committee thereof), subject to compliance with applicable laws.

Interim Use of Issue Proceeds: Pending utilization of Issue Proceeds, the Company may invest such proceeds in deposits in scheduled commercial banks or any other investments/avenues as permitted under applicable laws, and in accordance with the policies formulated by the Board from time to time.
