Illegal use of loudspeakers: Kurla mosque secy booked

Avadhut Kharade
MUMBAI

The Vinoba Bhave Nagar police have taken action against the Rahmania Masjid located on New Hal Road in Kurla West for the illegal use of loudspeakers without valid permission. Police have registered a case against the mosque's secretary, Rashid Kamaluddin Sheikh, 50, and seized the loudspeaker equipment. Further investigation is underway.

According to the FIR, the complainant is Police Constable Arjun Lahu Ratnaparkhe, 35, attached to the Anti-Terrorism Cell at the Vinoba Bhave Nagar police station. In line with the Bombay High Court's directives regarding the use of loudspeakers at religious places and the provisions of the Noise Pollution Act, police grant permissions for sound amplifiers strictly subject to specified terms and conditions.

Sheikh, a resident of Sanjeri Apartment near Kartika School on New Hall Road, had obtained permission to use loudspeakers at the Rahmania Masjid, located near Halav Bridge, for the period from April 1, 2025, to June 30, 2025.

On January 21, 2026, at around 1pm, while the Vinoba Bhave Nagar police ATC team was on patrol, loudspeakers were found operating at the mosque. When questioned about the necessary permission, Sheikh allegedly admitted that no permission had been obtained after June 30, 2025.

Court says writ jurisdiction can't reopen tribunal facts, upholds ₹45.25 lakh award to permanently disabled Air India crew member; tribunal fails to properly appreciate evidence

HC slaps ₹2L fine on insurance firm for unwarranted MACT challenge

OBSERVATIONS

MACT's factual findings cannot be reopened in writ proceedings

Adequacy or sufficiency of evidence is beyond writ court's scope

Minor inconsistencies in testimony immaterial unless they strike at case's core

Tribunal's role is to ensure just and fair compensation

Urvi Mahajani
MUMBAI

The Bombay High Court has imposed costs of Rs2 lakh on HDFC Ergo General Insurance Co Ltd for filing an unwarranted challenge to a Motor Accidents Claims Tribunal (MACT) award of Rs45.25 lakh granted to an Air India cabin crew member who suffered permanent disability in a road accident.

A bench of Chief Justice Shree Chandrashekhar and Justice Gautam Ankhad dismissed the insurer's appeal, holding that findings of fact

recorded by a MACT cannot be reopened in writ proceedings merely on the ground that the evidence was insufficient or inadequately appreciated.

The case arose from a November 18, 2014 accident in which Adil Lutfi Peters, 53, a cabin crew member with Air India, was hit by a speeding car while riding his motorcycle. The accident left Peters with 100% permanent disability. At the time, he was earning around Rs2 lakh per month.

The Tribunal, after considering the evidence on record, awarded compensation of Rs45.25 lakh to Peters.

Challenging this, HDFC Ergo argued that the Tribunal failed to properly appreciate the evidence, did not permit the impleadment of certain "necessary" parties, and ignored contradictions in Peters' testimony - particularly on whether the offending vehicle hit him from the front or the rear.

The bench, however, found no merit in these submissions. It observed that minor inconsistencies in a witness's statement do not become material unless they undermine the very foundation of the case. "We are of a definite opinion

that no interference is required merely because of a contradiction as to whether the victim was hit from the rear or the front," the judges said.

The bench emphasised that tribunals' primary function is to determine just and fair compensation. It further clarified that the adequacy or sufficiency of evidence cannot be examined in writ jurisdiction.

Dismissing the appeal, the bench directed HDFC Ergo to pay Rs2 lakh as litigation costs to Peters, in addition to the compensation already awarded.

Show cause notice to magistrate over 'illegal detention'

Mumbai: In a stern judicial reprimand, a sessions court has issued a show cause notice to a magistrate for not releasing a man, despite being granted bail by the superior court, terming the act 'clear-cut insubordination'.

Sessions Judge Mujibodeen Samadsab Shaikh described the delay in the man's release as "illegal detention" and directed that he be freed at once. The details of the court's directive dated January 7 were made available on Thursday.

Ganesh Tribhuvan, an accused in a case under the Negotiable Instruments Act, had been granted bail by the sessions court on January 2. Five days later, his lawyer sought the court's intervention, saying Tribhuvan had not been released.

As per the sessions court's January 7 'roznama' (daily status report), Judicial Magistrate First Class (Kurla) Santosh Garad had on January 6 issued the release memo.

However, the magistrate later passed a su-moto order and declared "its own order unauthorised void...in the eyes of law and recalled it". The magistrate then directed that no release memo shall be issued "without express judicial order", the sessions court noted.

While the release order was handed to the jail authorities to facilitate Tribhuvan's release, oral directions were later given not to release him on bail, the sessions court observed.

COURT SAYS...

Accused was granted bail by sessions court but not released for five days

Magistrate initially issued release memo, then suo motu recalled it as 'unauthorised'

Court termed the act bizarre and unlawful

Failure to honour superior court's bail order is 'clear-cut insubordination'

the lower court for its 'bizarre' act, the sessions judge said that "the order of JMFC is apparently illegal and unlawful".

"Authenticated order copy of this court as well as the writ of bail order was given to the magistrate, but he did not act upon and on the contrary passed an illegal order which is showing clear-cut insubordination," the roznama said.

The sessions court said the accused remained in custody despite fulfilling bail conditions, leading to a state of "illegal detention".

The sessions court then directed its own office to accept the personal recognisance bond of Rs15,000 and issue the release order of the accused "forthwith".

It also served a show-cause notice to the JMFC (Kurla), demanding an explanation as to why disciplinary action should not be taken for insubordination and the resulting illegal detention. **PTI**

HC restrains singer's ex-wife from remarks

Urvi Mahajani
MUMBAI

The Bombay High Court has passed an interim order restraining playback singer Kumar Sanu's ex-wife Rita Bhattacharya from making defamatory statements or remarks against him.

Justice Milind Jadhav, on January 21, granted an interim stay while hearing a Rs50 crore defamation suit filed by Sanu against Bhattacharya and some media houses for allegedly writing, speaking, posting, publishing and disseminating defamatory, false or slanderous statements about him and his family.

Prima facie, after perusing the statements, the court noted that there was a "clear personal tirade" by Bhattacharya against

Sanu. It restrained Bhattacharya and the independent media houses from writing, posting, or publishing any further defamatory, false, slanderous, or libelous statements concerning Sanu or his family.

Bhattacharya's advocate, Atif Shaikh, requested the court to send the dispute for mediation, pointing out that the couple's son was recently married. However, Sanu's advocate, Sana Raees Khan, said that the singer had suffered immense financial and personal loss and mental agony, leading to the cancellation of his pre-determined shows abroad. After separation from Bhattacharya, Sanu had remarried and wanted to protect himself and his family and hence was compelled to file the plea, Raees argued.

Woman hit over noodles complaint

Navi Mumbai: The Khandeshwar police have registered a case against a hotelier after a 25-year-old woman was allegedly assaulted with a ladle for questioning the absence of chicken in online-ordered noodles in Panvel. The woman sustained injuries to her nose in the attack. The incident occurred on January 18 when Nikita Mandal, 25, a resident of Harigram Kewale, had ordered chicken noodles through a food delivery app. After receiving the order, she found that the noodles did not contain any chicken pieces and went to the hotel, 'Enjoy Snacks and Chinese' at Vichumbe. When Nikita questioned the hotel operator, Lalita Rajendra Prasad, the latter allegedly abused and threatened her and later hit her on face with ladle.

'Exorbitant' MbPT rents: Koli members protest

MUMBAI: The Akhil Maharashtra Machhimar Kirti Samiti has submitted representations to the Mumbai Port Authority (MbPT) and the state government, objecting to the decision to allot valuable MbPT land to external entities on nominal lease terms. This comes as monthly rents ranging between Rs20 lakh and Rs50 lakh are being imposed on Koli community members, many of whom have operated in the MbPT area since before independence.

The association condemned what it terms a 'systemic injustice' against the indigenous Koli community - the original inhabitants who built Mumbai through their labour and lifelong struggle with the sea.

Devendra Damodar Tandel, president of the Samiti, stated that the Kolis are the backbone of Mumbai's port economy through fishing, vending, and maritime expertise. "Today, those very hands that built the city are being economically suffocated and pushed out of their own land," Tandel said, adding that if MbPT has the authority to allot land at minuscule rates, the "sons of the soil" should have the first right. The association is demanding a reduction in rents, the allotment of land for a "Koli Bhavan".

Honouring 25 wounded heroes

MUMBAI: The Sri Shanmukhananda Fine Arts and Sangeetha Sabha will felicitate 25 army warriors who were wounded in various military operations. The soldiers will be felicitated on the 77th Republic Day on January 26 at the Sion auditorium by Lt Gen D S Kushwah, General Officer Commanding (Maharashtra, Gujarat, and Goa area). This is an annual event organised jointly by the Sabha and the Indian Army. "The Shanmukhananda Sabha every year felicitates wounded Indian Army jawans and martyrs' families, providing cash, mementoes, and support to honour their sacrifices - a tradition fostering civil society's bond with the armed forces," said the Sabha president, Dr V Shankar. The Republic Day celebrations at the Sabha are devoted to "wounded warriors".

SAT directs Avadhut Sathe Academy to deposit ₹100 cr

ANJANA THERESE ANTONY
Mumbai, January 22

ACTING TOUGH

- **March 2024:** Sebi issued administrative warning following complaints about unregistered advisory services
- **March 2025:** Despite warnings from the markets regulator, Sathe again gave recommendations on various stocks using live data
- **July 2025:** Academy uploaded misleading testimonial of an investor, Rehan Shaikh
- **July 2025:** Academy uploaded misleading testimonial of another investor, Pavitra Anjana Nayaka

- **August 2025:** Sebi conducted search and seizure operations at academy
- **Mid-December 2025:** SAT refused interim relief to appellants, but allowed academy to use funds for expenses for a month
- **December 2025:** Sebi issued impugned order to appellants
- **January 2026:** SAT directs appellants to deposit ₹100 crore

THE SECURITIES APPELLATE Tribunal (SAT) on Thursday accorded a partial relief to Avadhut Sathe and his trading academy against the Securities and Exchange Board of India's (Sebi) order of impounding ₹546 crore and imposing trading restrictions.

The tribunal directed Sathe and related parties to deposit ₹100 crore with respect to the case of unlawful gains from unregistered market activities during 2020-2025. The appellants were also asked to file a response within four weeks.

"It is not in dispute that appellants have collected ₹601 crore. Whether it is an unlawful gain is yet to be decided," the tribunal said. A sum of ₹166 crore of the appellants is lying with the government treasury and they have fixed assets worth ₹100 crore.

Last year, the academy and two of its directors — Avadhut Dinkar Sathe and Gouri Avadhut Sathe — were under scrutiny after the markets regulator allegedly found evidence of unregistered activities with respect to eight courses under the academy amounting to ₹546 crore. Sebi had alleged that the parties have been "recklessly misleading, soliciting and inducing investors" to deal in the securities market based on their advices.

Sebi had observed that the academy was publishing and promoting selective profitable trades, and claimed that its students earned from trading. They also operated under the guise as 'investment advice' or 'research analyst', without obtaining registrations from the regulator.

Sebi's investment advisor regulations are in force since 2013 and that for research analysts are functional since 2014, under which individuals or entities have to get registered to carry on their activities.

Despite the regulator's administrative warning to avoid recurrence of such incidents, the appellants continued with their unregistered activities, following which Sebi conducted search and seizure operations, and then issued an ex-parte interim order and show-cause notice. A total of ₹546 crore was shown in the seized accounts of the parties, accounting for fees paid for unregistered activities, the order said.

It was also found that the academy had created multiple

private WhatsApp groups, which provided stock recommendations on a regular basis, including stop-loss, target prices, and likely movement of specific stocks. One of the WhatsApp groups is a paid channel and participants pay ₹30,000 for enrollment.

Sathe's advocate Janak Dwarkada said the regulator's directions are "in flagrant violation" of appellants' Constitutional rights

grant violation of appellants' Constitutional rights because Sebi has computed the alleged unlawful gains attributable to unregistered activities from 2020 to 2025."

Based on Sebi chairman's comments in an earlier interview that the regulator will soon change rules to prohibit use of live market data for

investor education, Dwarkada said that appellants have not committed any illegality.

He also said the directions in Sebi's impugned order are impossible to comply with. On one hand, Sebi has frozen all bank accounts and restrained the appellants from accessing the securities market, while on the other, the regulator has directed them to deposit ₹546 crore.

"As on the date of freezing, appellants had about ₹4 crore in their bank accounts. The direction to place a deposit of ₹546 crores is based on the premise that appellants may siphon off the money," Dwarkada said. The order does not contain any finding as to where the said amount is traceable, he said, adding that the "apprehension of siphoning is misconceived."

Counter arguments

Sathe's advocate Janak Dwarkada said the regulator's directions are "in flagrant violation" of appellants' Constitutional rights because Sebi has computed the alleged unlawful gains attributable to unregistered activities from 2020 to 2025."

Bandhan Bank profit slumps over 50%, misses estimate

FE BUREAU
MUMBAI, JANUARY 22

REPORT CARD

BANDHAN BANK ON Thursday reported a 51.7% decline in its net profit to ₹206 crore for the quarter ended December 2025 due to lower income and higher expenditure, missing analyst estimates of ₹397 crore.

"Last year, we were fortunate. We got the CGFMU (credit guarantee funds for micro units) funds, and for that reason, we were able to adjust some one-off expenses. If we take out both, the profit was ₹129-130 crore," the bank's management said in a post-earnings press conference.

The net interest income moderated by 4.5% on year to ₹2,688 crore in the reporting quarter, with net interest margins expanded to 5.90% from 5.80% a quarter ago. Analysts had pegged the net interest income for the reporting quarter at ₹2,778 crore.

Other income fell by nearly 38% on year to ₹691 crore. However, on a sequential basis, other income rose by 27%. The bank said other income could become an important in revenue generation, as it plans to grow the non-fund businesses like bank guarantees and improving commission fees,

among others. Gross advances were up 10% on year and total deposits grew 11.2%. Within gross advances, retail assets increased 57.1% and wholesale assets rose 32.3%. Within deposits, the share of current account and savings account (CASA) stood at

27.3%, down 70 basis points (bps) sequentially. Retail deposits were up 17.2% on year to ₹1.13 lakh crore.

The asset quality improved on a sequential basis for the Kolkata-based bank. The gross non-performing asset (NPA) ratio stood at 3.3%, down 169 basis points (bps) on quarter, and the net NPA ratio stood at 1%, down 38 bps from the September quarter.

Provisions and contingencies reduced 16% on year to ₹1,155 crore in the reporting quarter.

"The SMA-0 book has come down by Rs 400 crore and the SMA-2 book has reduced by ₹25 crore. There is some increase in the SMA1 book, which we are working at," the management said. "Within one-two years, we will have a very healthy book"

Shares of Bandhan Bank closed 3.6% higher at ₹143 on the National Stock Exchange (NSE).

Oil slips 2% as Trump tones down threats against Greenland & Iran

SCOTT DISAVINO
New York, January 22

OIL PRICES SLID about 2% on Thursday after US President Donald Trump softened threats against Greenland and Iran, and as investors assessed the supply-demand outlook.

Brent futures fell \$1.01, or 1.6%, to \$64.23 a barrel. Trump said he had secured total and permanent US access to Greenland in a deal with NATO, whose head said allies

would have to step up their commitment to Arctic security to ward off threats from Russia and China.

Trump also backed off tariff threats and ruled out taking Greenland by force, moderating a stance that had caused a rupture in transatlantic ties.

"There is a deflation of risk premium related to the Greenland debacle and Iran supply risk has also been reduced," said Ole Hansen, chief commodity analyst at Saxo Bank.

Trump said he hoped there would be no further US military action in Iran, but added the US would act if Tehran resumed its nuclear programme.

Iran, operating under sanctions, is the third biggest crude producer in the Organization of the Petroleum Exporting Countries (OPEC) organisation behind Saudi Arabia and Iraq.

With less tension around Greenland and Iran, oil prices should hold at around \$60 a

barrel, said Tony Sycamore, an analyst with online broker IG.

Trump called for an end to the war in Ukraine, and reported "good" talks with Ukrainian President Volodymyr Zelenskyy in Davos. US and Ukrainian officials have spent weeks in shuttle diplomacy. Trump has pressured Kyiv to secure peace after nearly four years of war, despite few signs Moscow wants to stop fighting.

Notes: 1. These consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial reporting" ("Ind AS 34") as prescribed under Section 133 of the Companies Act, 2013 read with relevant Rules framed there under and other accounting principles generally accepted in India and in accordance with the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. 2. The above consolidated financial results for the quarter and nine months ended December 31, 2025, have been reviewed by the Audit Committee and approved by the Board at its meeting held on January 22, 2026. The Joint Statutory Auditors of the Company have carried out the Limited Review of the aforesaid results and have issued an unmodified conclusion and opinion. 3. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Company has assessed and disclosed the incremental impact of these changes on the basis of the best information available and actuarial valuation obtained, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact in the results for the period ended December 31, 2025. The incremental impact consisting of gratuity of ₹19.28 crore and leave encashment of ₹3.23 crore primarily arises due to change in wage definition. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Codes and would provide appropriate accounting effect on the basis of such developments as needed, if any. 4. Notes: 1. These consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") as prescribed under Section 133 of the Companies Act, 2013 read with relevant Rules framed there under and other accounting principles generally accepted in India and in accordance with the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. 2. The above consolidated financial results for the quarter and nine months ended December 31, 2025, have been reviewed by the Audit Committee and approved by the Board at its meeting held on January 22, 2026. The Joint Statutory Auditors of the Company have carried out the Limited Review of the aforesaid results and have issued an unmodified conclusion and opinion. 3. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Company has assessed and disclosed the incremental impact of these changes on the basis of the best information available and actuarial valuation obtained, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact in the results for the period ended December 31, 2025. The incremental impact consisting of gratuity of ₹19.28 crore and leave encashment of ₹3.23 crore primarily arises due to change in wage definition. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Codes and would provide appropriate accounting effect on the basis of such developments as needed, if any. 4.
