Commenting on the Q2 & H1 FY27 performance, Jai Malpani, Managing Director, Imagicaaworld Entertainment Limited said,

"We continue to build on a strong foundation and a steadfast focus on delivering memorable experiences and enhancing guest satisfaction across locations. While Q2 is seasonally softer for the parks industry, our park revenues were up by 10% in Q2 FY27 despite 6% lower footfalls due to the high impact rains in the catchment in July-August.

Our focus remains on strengthening operational performance and improving the overall guest experience through continuous enhancements across our offerings. We are seeing a good build up for Q3 FY27 already.

We are also progressing with our expansion initiatives, with Hello Park Hyderabad expected to commence operations in the coming months. This will further strengthen our presence in the family entertainment segment and provide an additional avenue for growth.

As we move ahead, we remain committed to enhancing guest engagement, strengthening our existing assets and building a scalable platform for sustainable long-term growth."
