2. The Hon'ble National Company Law Tribunal ("NCLT"), Kolkata Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") application filed by a Financial Creditor of Impex Ferro Tech Limited (the Company) and appointed Mr. Rajiv Kumar Agarwala as Interim Resolution Professional (IRP), in terms of the Insolvency and Bankruptcy Code, 2016 (The code) vide order dated 2nd May, 2024. Subsequently Mr. Ashok Kumar Sarawagi was appointed as Resolution Professional (RP) by the Committee of Creditors (CoC) its 2nd CoC meeting held on 14th June, 2024 as approved by virtue of e - voting by the CoC members and further vide order dated 12 July, 2024 by the Hon'ble court of NCLT, Kolkata. In view of pendency of CIRP, the management of the affairs of the company and power of the Board of Directors are now vested with RP. These financial results have been prepared by the management of the company and approved by RP.
3. In our opinion and to the best of our information and according to the explanations given to us, *except for the possible effect of the matter described in the basis for qualified opinion section of our report* the aforesaid financial results:
 - i) are presented in accordance with the requirements of Regulations 33 and 52 of the Listing Regulations in this regard; and
 - ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in

India, of net loss and other comprehensive loss and other financial information of the Company for year ended March 31, 2025 and the statement of assets and liabilities and the statement of cash flows as at and for the year ended on that date.

Basis for Qualified Opinion

i) We draw your attention to Note 4 of the accompanying Financial Results regarding non provision of Cumulative interest expense of Rs. 63,020.22 on the borrowings of the company which is not in accordance with the requirements of Ind As 109: Financial Instruments. Had the aforesaid Cumulative interest expense been recognized, Other Equity as on 31.03.25 would have been Rs. (103334.21 Lakhs) instead of reported amount of Rs. (40313.99 lakhs) and current financial liability as on 31st March,2025 would have been Rs. 63076.15 lakhs instead of reported amount of Rs. 55.93 lakhs.

The aforesaid Cumulative interest amount had been admitted by RP in the submitted list of claims dated 08.04.2025, for the CIRP initiated on 02.05.2024, however no bifurcation is available for 30.04.2024, hence finance cost taken as nil, and recorded amount in books is 0.79 lakhs.

ii) With reference to Note 9 Other Expenses includes provisioning of expected credit loss (ECL) of Rs. 313.60 lakhs on Trade Receivable & Rs. 393.53 lakhs on Advance to parties as considered prudent by the management, in view of non-realisation for long time, to change the ECL policy of the company which has resulted in excess provision. In the absence of other corroborative evidence, we are unable to comment on carrying amount of such receivable on which ECL has been provided for the FY 23-24.

iii) As referred in Note No. 6 of the Financial Statements, "Trade Receivables", "Trade payables", Advances from Customer", Advances Recoverable in Cash or Kind and " Advance to Suppliers and Other Parties" etc. includes balances remaining outstanding for a substantial period. The balances are subject to confirmation/reconciliation. In the absence of above and other corroborative evidence, we unable to comment on the extent to which such balances are recoverable. The reported Financials might have consequential impact which remains unascertained.

Refer Note 2, for list of claims for liabilities (including statutory dues) which were admitted by RP (dated 08.04.2025).

iv) As referred in Note No 2 of the Financial Statements, as a part of CIRP, creditors were called upon to submit their claims. In aggregate the claim submitted by the financial creditors as well as operational creditors exceeded the amount as appearing in the books of account/financials.

List of creditors (published on 08.04.2025), Includes admitted claims and also claims under verification and reconciliation by RP with amount as appearing in books. No accounting impact in the books of account has been made in respect of excess, shortage, non-receipt of claims from operational and financial creditors. Hence, consequential

impact if any on the reported Financial Statements is currently not taken into account. However, the CIRP is going on and the Resolution Plan has already been submitted one of the Resolution Applicants has been declared as H1 bidder.

- v) We have been informed that certain information including minutes of CoC meeting and the outcome of certain procedures carried out as part of CIRP process are confidential in nature and could not be shared with anyone other than Committee of Creditors and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation and disclosures, if any on aforesaid information not provided to us.

We conducted our audit of the Financial Results in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance With the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Financial Results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Results.

Material Uncertainty Related to Going Concern

We draw attention to the Note 3 to the financial results regarding preparation of the financial results on going concern basis which states that the company has incurred cash losses, its liabilities exceeded its total assets and its net worth has been fully eroded as on 31.03.2025. Since, the CIRP is currently is in process as per the IBC Code, it is required that the company be managed as going concern during the CIRP. The financial result is continued to be prepared on going concern basis. However there exists material uncertainty about the company's ability to continue as a going concern since the same is dependent upon the resolution plan to be formulated and approved by NCLT. The appropriateness of preparation of the financial results ongoing concern basis is critically dependent upon CIRP as specified in the IBC Code.

Emphasis of Matter

- i) The company has not deposited undisputed statutory dues to appropriate authority in time and deposit was delayed. Undisputed Statutory dues amounting to Rs. 292.92 lakhs were in arrears as at 31st March, 2025 for a period of more than Six months. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.
- ii) With reference to Note 5 to the financial result the manufacturing operation of the plant of the company situated at Kalyanesheri, West Bengal has been temporarily shut down since October, 2022 due to disconnection of power supply by the Damodar Valley Corporation (DVC). Our opinion is not modified in respect of this matter.

- iii) We draw attention to Note 10 of the accompanying financial statements, which describes that surplus inventory, not previously recorded in the books of accounts, was identified and sold during the current financial year. As informed to us, the identification of this inventory was carried out during the year,

Management and Resolution Professional's Responsibility for Financial Results

These quarterly financial results as well as the year-to-date financial results have been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net loss and other comprehensive loss and other financial information in accordance with the accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. As the Corporate Insolvency Resolution Process has been initiated in respect of the company under the provision of the Insolvency and Bankruptcy Code, 2016 (The Code) by the National Company Law Tribunal (NCLT) Kolkata Bench, vide its order dated 2nd May, 2024, the powers of the Board of Directors stand suspended as per section 17 of the Code and such power is being exercised by the Resolution Professional appointed by the NCLT by the said order under the provisions of the Code .

This statement which is the responsibility of the company's management and has been signed and taken on record by the Resolution Professional.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Financial Result as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Financial Result, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Results, including the disclosures, and whether the Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- i. The annual financial results include the results for the quarter ended 31st March 2025 being the balancing figure between audited figures in respect of the full financial year and the published unaudited figures up to the third quarter of the current financial year which were subject to limited review by us.
