Press Release

The Indian Institute of Cerebral Palsy And Indegene Partner to Enable A More Inclusive Society

Bengaluru, India, May 19, 2025: The Indian Institute of Cerebral Palsy (IICP), a renowned NGO focused on improving the lives of patients with disabilities, has partnered with Indegene to enhance the quality of care and bring about a positive change in the lives of people with cerebral palsy.

IICP is a registered charitable society working in the disability sector since 1974. IICP's vision is to enable an inclusive society with equal opportunities and access for all marginalised groups, including persons with disabilities.

About Indegene

Indegene Limited (BSE: 544172, NSE: INDGN) is a digital-first, life sciences commercialization company. It helps biopharmaceutical, emerging biotech and medical device companies develop products, get them to the market, and grow their impact through the life cycle in a more effective, efficient and modern way. Indegene brings together healthcare domain expertise, fit-for-purpose technology and an agile operating model to provide a diverse range of solutions. These aim to deliver, amongst other outcomes, a personalized, scalable and omnichannel experience for patients and physicians. It's what drives Indegene's team and their purpose to enable healthcare organizations to be future-ready. To learn more, please visit www.indegene.com
