**INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED
FINANCIAL RESULTS****TO THE BOARD OF DIRECTORS OF
INDEGENE LIMITED**

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **INDEGENE LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter and six months ended September 30, 2026 ("the Statement") being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. The Statement includes the results of the entities as mentioned in Annexure I to this review report.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. The consolidated unaudited financial results includes the interim financial information of 1 subsidiary and 10 step down subsidiaries which have not been reviewed by their auditors, whose interim financial information reflects total assets of Rs 906 million as at September 30, 2026, total revenue of Rs. 385 million and Rs 798 million for the quarter and six months ended September 30, 2026 respectively, total loss after tax of Rs. 47 million and Rs. 59 million for the quarter and six months ended September 30, 2026 respectively, and other comprehensive income/(loss) of Rs. 17 million and Rs. (1) million for the quarter and six months ended September 30, 2026 respectively, as considered in the Statement. According to the information and explanations given to us by the Management, these interim financial information are not material to the Group.

Our Conclusion on the Statement is not modified in respect of our reliance on the interim financial information certified by the Management.

Further on 30 January 2026, the Group had obtained control of Cake Group. The Cake Group is an advertising agency specialized in healthcare and pharmaceutical communication. The acquisition was consummated at a consideration of ₹ 873 which includes earnout component of ₹ 383 (EUR 3.55 million) and an unconditional management incentive of ₹ 15 (EUR 0.14 million). The earnout component is based on the performance of Cake during the period commencing on 1 April 2025 till 31 March 2028 with the range of earnout from Nil to ₹ 470 (EUR 4.35 million), while the unconditional management incentive of ₹ 15 (EUR 0.14 million) falls due on 1 June 2028.

The Group believes that the acquisition will enable the Group to expand its healthcare marketing and communication capabilities in Europe, specifically targeting the DACH region (Germany, Austria and Switzerland), thereby strengthening the Group's footprint by offering specialized, high-touch marketing services. The Group concluded that the acquired set was a business and did the provisional PPA during the year ended 31 March 2026. The same has been finalised during the period ended 30 September 2026.

The following table presents the allocation of purchase price based on final PPA:

Particulars	Acquiree's carrying amount	Fair value adjustments	Purchase price allocated
Assets			
Net assets taken over [I]	125	-	125
Identifiable intangibles assets			
Customer relationship	-	283	283
Total identifiable intangible assets acquired [II]			283
Total [I + II]			408
Goodwill			465
Total purchase price			873

Notes on Segment information

Operating segments are identified as components of an enterprise for which discrete financials information is evaluated regularly by the chief operating decision maker in deciding how to allocate resources and assessing performance. The Group's chief operating decision maker is the Chief Executive Officer and Executive Director.

Assets and liabilities used in the Group's business are not identified to any of the operating segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

7. Exception Item: Litigation Expenses

During the financial year 2020-21, Indegene Inc. (a subsidiary of the Company) was named in a class action lawsuit filed in the U.S. District Court of New Jersey, alleging non-compliance with the Telephone Consumer Protection Act of 1991 ('TCPA') by sending unsolicited fax advertisements without the recipient's prior express invitation or permission.

Plaintiff initiated this matter through the filing of its Class Action Complaint against Indegene, Inc., Indegene Encima Inc., Indegene Wincere Inc., and Indegene Healthcare, LLC (collectively, "Indegene" or "Defendants") seeking the Court to award actual monetary loss from the alleged TCPA violations in an amount to be proven in Court or the sum of USD 500 for each violation, whichever is greater, and that the Court award treble damages of USD 1,500 if the violations are deemed wilful or knowing. Additionally, the Plaintiff seeks the Court award pre-judgment interest and costs, to be determined upon presentation of suitable evidentiary support.

During the year ended 31 March 2026, the matter progressed to mediation and the Group agreed in principle to a mediator-proposed settlement framework under which the Defendants would make available a maximum settlement fund of approximately ₹417 (USD 4.72 million), calculated at USD 250 per eligible claim. The settlement is structured as a claims-made arrangement, whereby the actual outflow is contingent upon valid claims submitted by eligible class members, and unclaimed amounts, if any, revert to the Group in accordance with the settlement terms. Accordingly, the maximum settlement fund does not represent the expected cash outflow.

Based on the status of the proceedings and the Group's assessment, supported by external legal advice, the Group concluded that a present obligation existed and that an outflow of economic resources was probable and can be reliably estimated. Accordingly, the Group recognised a provision of ₹203 (USD 2.30 million), including estimated legal costs, representing its best estimate of the expenditure required to settle the obligation which has been disclosed as exceptional item in the results for the year ended 31 March 2026. During the period ended 30 September 2026, pursuant to the courts orders the class administrator has issued notices to class members on 10 September 2026 requesting to submit claim forms or opt out of the settlement wherein the Class members have until 09 December 2026 to submit the claims or opt out. The Settlement payments are expected to become payable following the final fairness hearing and Court approval, in accordance with the settlement terms. The amount payable will depend on valid claims submitted and attorneys' fees awarded by the Court to the Plaintiff's counsel. The ultimate outflow will be subject to the claims process and final Court approval. Accordingly the Group does not estimate any change in amount of provision as at 30 September 2026.

8. The shareholders approved a final dividend of ₹2.25 per equity share for the financial year ended 31 March 2026 at the 28th Annual General Meeting held on 13 August 2026. The dividend was paid on 21 August 2026, resulting in a cash outflow of ₹542 million.

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **INDEGENE LIMITED** ("the Company"), for the quarter and six months ended September 30, 2026 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
