Information Note

Indegene Awarded Silver Medal, Scores 72/100 in ESG Assessment by EcoVadis

Bengaluru, India, November 26, 2024: Indegene, a digital-first life sciences commercialization company, announced that it has achieved a score of 72/100 on EcoVadis, the global authority on Environmental, Social, and Governance (ESG) ratings. Further, Indegene has been awarded the Silver Medal in recognition of the company's sustainability achievement.

Indegene is now in the top 15% (93rd percentile) of all companies rated by EcoVadis, an organization that has rated over 130,000 companies across 220+ industries in over 180 countries. This achievement strengthens Indegene's resolve to further improve its ESG policies and practices, while aligning with the sustainability aspirations of all stakeholders.

Further, Indegene is committed to ensuring its ESG goals are closely aligned with those of its client organizations, to be a true partner on their sustainability journey.

With 6 operation hubs and 18 offices across North America, Europe, and Asia, Indegene's client base includes the world's top 20 biopharma companies, many emerging biotech firms, and medical device companies. This vast global footprint underscores Indegene's ability to scale and meet the evolving needs of the world's leading pharma organizations across markets.

About Indegene

Indegene Limited (BSE: 544172, NSE: INDGN) is a digital-first, life sciences commercialization company. It helps biopharmaceutical, emerging biotech and medical device companies develop products, get them to the market, and grow their impact through the life cycle in a more effective, efficient and modern way.
