Dear Sirs,

Sub.: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

This is to inform you that on the midnight of 22nd June, 2021, based upon an anonymous call to the Plant Head of the Sankarnagar Cement Works of our Company, the police were asked to investigate the possibility of any explosive device in the Plant. The police have located two suspicious 'small pipes' which have to be examined for explosive content. The police have taken into custody a few suspects and are conducting an investigation. There is no interruption of production and the Plant is completely safe and no untoward accident has happened. The police have complete control and life is normal in the Plant.

Thanking you,

Yours faithfully,
