Indogulf Cropsciences Limited Receives “Innovation Excellence Award” at National Prestige Awards

Indogulf Cropsciences Limited is pleased to announce that it has been conferred with the “**Innovation Excellence Award**” at the **National Prestige Awards**, organized by **The Insight Success Story**.

The prestigious award was presented by renowned actor **Mr. Tushar Kapoor**, in recognition of the Company’s consistent focus on innovation, research-driven solutions, and excellence in the agri-inputs sector.

This recognition underscores Indogulf Cropsciences Limited’s strong commitment to developing innovative crop protection and agricultural solutions aimed at enhancing farm productivity, promoting sustainability, and creating long-term value for all stakeholders. The Company’s emphasis on advanced research and cutting-edge technologies continues to support the evolving needs of the agricultural ecosystem.

The **National Prestige Awards** honor organizations that demonstrate outstanding performance, leadership, and innovation across industries. Receiving this award further reinforces Indogulf Cropsciences Limited’s position as a forward-looking organization, driven by innovation-led growth and a passion for excellence.

About Indogulf Cropsciences Limited Indogulf Cropsciences Limited is a leading player in the agri-inputs sector, offering a comprehensive range of crop protection products and agricultural solutions. The Company remains focused on innovation, quality, and sustainable practices to support farmers and contribute to the growth of Indian agriculture.
