Dear Sir/Madam,

Sub: Clarification on Price Movement

In response to your email dated 24th April, 2026, seeking clarification on the recent movement in the price of the equity shares of our Company, we wish to submit the following:

The Company has been consistently complying with the disclosure requirements stipulated under Regulation 30 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. All material information and events that may have a bearing on the operations or performance of the Company have been duly disclosed to the Stock Exchanges within the prescribed timelines.

We would like to further clarify that there is no unpublished price sensitive information, material event, or any pending announcement which, in our opinion, could have a bearing on the price movement of the Company's shares. The financial and operational performance of the Company continues to remain in line with the disclosures already made in the public domain.

Additionally, we confirm that the promoters, members of the promoter group and persons acting in concert have not undertaken any trading in the securities of the Company during the relevant period under reference.

In view of the above, the movement in the share price appears to be purely market-driven and influenced by general market conditions and sentiments, and the Company is not aware of any specific reason attributable to such price fluctuation.

The Company remains committed to maintaining the highest standards of corporate governance and transparency and shall continue to promptly inform the Stock Exchanges of any material developments, as and when they arise.

We trust the above clarifies the matter.

Thanking you.
