Dear Sir/Madam,

Subject: Disclosure Regarding Media Allegations Concerning an Associate Doctor
(Stock Code 532150)

In continuation with our earlier letter dated 5th December, 2023, we are writing to bring to your attention recent media rumours / coverage concerning alleged irregularities related to kidney transplant practices involving an individual doctor associated with the Company on a limited, fee-for-service basis.

We wish to again clarify that the alleged activities did not occur at our hospital, and the Company, as an institution, is neither accused nor implicated in these allegations. The activities in question reportedly took place at another medical facility with which we have no affiliation.

Upon learning of these allegations, the Company took immediate action and suspended the doctor in question. This decision reflects our commitment to uphold the highest ethical and regulatory standards in all our operations.

The Company follows rigorous protocols and complies with all statutory requirements governing medical practices, including organ transplantation procedures. Our hospital's protocols are designed to ensure strict adherence to all relevant laws, guidelines, and best practices, providing a safe, transparent, and ethical environment for patient care.

This disclosure underscores our commitment to transparency and assures our stakeholders of our dedication to maintaining ethical and compliant practices.

This is for your information please.

Yours sincerely,

Priya Ranjan
