Dear Sir/Madam,

Sub.: Intimation under Regulation 30 - Capacity Expansion

Ref: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform our stakeholders that a new high-speed capsule manufacturing machine has been arrived at our manufacturing facility situated at Plot No 9, 10, Phase II, Genesis Ind Estate, Kolgaon, Palghar, Thane, Maharashtra, India - 401404. The equipment is expected to be operational within the current month. This strategic capacity expansion aims at improving operational efficiency and catering to increasing demand.

Key Highlights of the Expansion:

1. Fully funded via internal accruals.
2. Enhanced production capacity will help further reduce lead times, strengthen supply reliability, and improve economies of scale.
3. The new machine is projected to increase our capsule manufacturing capacity of our nutraceutical division by approximately 6 times, from 23,000 capsules per hour to 1,45,000 capsules per hour significantly enhancing our capability to meet growing market demand for nutritional supplements in the market.

The commissioning of this new machine underscores Influx Healthtech Limited's strategic commitment to growth, operational excellence, and shareholder value.

The details as per requirement of Regulation 30 of Listing Regulations read with SEBI circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024 is given in **"Annexure A"**

Annexure-A

Additional Details as required under Regulation 30 and other relevant provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015:

Sr. No.	Particulars	Details
1.	Existing Capacity	The Existing Capsule Manufacturing Capacity is 23,000 capsules per hour
2.	Existing Capacity Utilization	90%
3.	Proposed Capacity Addition	There is an addition of 1,22,000 capsules per hour of Capsule Manufacturing Capacity.
4.	Period within which the proposed capacity is to be added	The new capacity is expected to be operational within the current month.
5.	Investment Required	The expansion entails total investment of Rs. 34.48 Lakhs
6.	Mode of Financing	The Project is fully funded through internal accruals
7.	Rationale	To meet surging demand, shorten lead times and reduce unit costs through economies of scale, we are expanding Capsule Manufacturing Capacity to 1,45,000 capsules per hour, representing approximately 6 times increase over the current capacity.
