Press Release

InfoBeans, a leading provider of design-led AI and enterprise software solutions, is excited to announce Harmeet Bhatia's appointment as Chief Revenue Officer (Americas). With this strategic addition to the leadership team, InfoBeans gears up for accelerated growth in 2025 and beyond.

With over 30 years of industry expertise, Harmeet is a trailblazer in sales, marketing, and business development. Throughout his illustrious career, he has built global teams, forged strategic alliances, and delivered exceptional results across diverse markets. In his previous roles as sales leader, Harmeet has played a pivotal role in driving exponential growth and achieving record-breaking revenue milestones for all the companies he has worked with.

"Harmeet is a seasoned leader with deep experience in running and managing sales in fast-paced growth companies as well as large-scale tech firms. His focus on creating ongoing value for clients fits hand in glove with InfoBeans' culture of creating WOW", said Mitesh Bohra, co-founder of InfoBeans.

"I am thrilled to join the InfoBeans team and am deeply impressed by their innovative solutions, commitment to customer excellence, and dedication to socially responsible initiatives. These key elements are essential in building a successful organization, and I am eager to contribute to this mission and help drive the company towards even greater achievements," stated Harmeet.

Harmeet's appointment underscores InfoBeans' commitment to investing in leadership talent that aligns with its vision of becoming a global powerhouse in digital transformation. This will bolster InfoBeans' position as a trusted partner for businesses navigating complex challenges in the digital age.
