Dear Sir/Madam,

This is with reference to the recent U.S. Government announcement for a fee of USD 100,000 on H-1B visa applicants, effective from the March 2026 cycle, applicable to both new applications and renewals.

As less than 1% of the Company's revenue is linked to H-1B visa holders, the impact on operations and financials is insignificant. On the contrary, the Company anticipates this development may encourage greater offshoring of work to India, which could be positive for its business.

The Company will continue to monitor developments and make further disclosures, if required, in accordance with applicable regulations.

Thanking you,  
Yours Faithfully,
