Dear Sir/Madam,

With reference to our earlier disclosure submitted on 22nd September, 2025 kindly note that due to a typographical error, the applicability of the recently announced U.S. Government fee on H-1B visa petitions was incorrectly mentioned as being applicable to both new applications and renewals.

The correct disclosure should be read as follows:

“This is with reference to the recent U.S. Government announcement of a fee of USD 100,000 on H-1B visa applicants, effective from the March 2026 cycle, applicable only to new applicants.

As less than 1% of the Company’s revenue is linked to H-1B visa holders, the impact on operations and financials is insignificant. On the contrary, the Company anticipates this development may encourage greater offshoring of work to India, which could be positive for its business.

The Company will continue to monitor developments and make further disclosures, if required, in accordance with applicable regulations.”

Thanking you,
Yours Faithfully,

For InfoBeans Technologies Ltd
