Infosys Is No. 1 for Corporate Governance: IR Global Rankings

Bangalore - December 13, 2012: Infosys, a global leader in consulting and technology today announced that it has been awarded the No. 1 spot globally for its corporate governance practices by IR Global Rankings (IRGR). IRGR is the most comprehensive technical ranking system for investor relations websites, corporate governance practices and financial disclosure procedures. The 14th annual edition of the IRGR saw participation from more than 280 companies from 45 countries this year.

In the global technology sector, IR Global Rankings awarded Infosys the No. 1 spot for corporate governance and No. 2 spot for its financial disclosures policies.

In the regional rankings for India, IR Global ranked Infosys first in three categories: corporate governance practices, financial disclosure procedures, and investor relations websites.

S.D. Shibulal, CEO and Managing Director, Infosys, said: "We believe that sound corporate governance practices are critical to retain the trust of all stakeholders. As an organization, we have evolved guidelines and best practices to maintain the highest levels of transparency and ensure timely and accurate disclosures. The prestigious No. 1 ranking by IRGR is more proof of our commitment to these practices and ethical business conduct."
