Hamilton Sundstrand and Infotech inaugurate new electronic center of excellence

Hyderabad, April 7th, 2011 — Hamilton Sundstrand Corporation and Infotech Enterprises Ltd. officials have inaugurated a ***new engineering center*** for aircraft systems software and electronics analysis, design and development in Bengaluru. Hamilton Sundstrand is a subsidiary of United Technologies Corp. (NYSE: UTX) **Mr. Alain Bellemare, President, Hamilton Sundstrand** and **Mr. B.V.R Mohan Reddy, Chairman and Managing Director, Infotech Enterprises Ltd** hosted a ribbon cutting ceremony at Infotech's Bengaluru facility on April 6.

Hamilton Sundstrand selected Infotech as its supplier for the Embedded Systems Software and Electronics (ESSE) center of excellence in December 2009. The ESSE center began operation in 2010 and now employs approximately 100 software and electronics engineers. The center could employ up to 300 people over the next few years.

"This new center of excellence builds on the relationship Hamilton Sundstrand established with Infotech in 2005," said Mr. Bellemare. "We have found Infotech to be a great team player and we are confident this agreement will help us stay competitive in the global aerospace market."

"We are very proud that Hamilton Sundstrand continues to place its trust in us," said Mr. B.V.R Mohan Reddy. "We are absolutely committed to meeting all of their expectations"

With global headquarters in Hyderabad, India, Infotech has 8,000 associates across 30 locations. Infotech adopts a proactive approach to serve clients with best-in-class delivery centers in North America, Europe, Middle East and Asia Pacific. Clients span multiple industries such as Aerospace, Consumer, Energy, Medical, Heavy Equipment, Rail, Semiconductor, Telecom and Utilities and include 22 'Fortune 500' and 27 'Global 500' blue chip organizations.

With 2010 sales of \$5.6 billion, Hamilton Sundstrand is headquartered in Windsor Locks, CT. Among the world's largest suppliers of technologically advanced aerospace and industrial products, the

company designs, manufactures and services aerospace systems and provides integrated system solutions for commercial, regional, corporate and military aircraft. It is also a major supplier for international space programs.

About Infotech Enterprises Limited -

Founded in 1991, we are a leading Global Engineering services company. We provide services to a wide range of industries -Aerospace, Rail, Automotive, Marine, Energy, Plant Engineering, Utilities, Telecom (operators), Government, Retail, Consumer Electronics, Medical Electronics, Semiconductor, Telecom (Manufacturers) and Computing industries. Infotech has a distinctive business model: "Global Delivery and Collaborative Engineering".

Infotech is a recognized leader in providing efficient and sustainable solutions based on Global Collaborative Engineering - a proven strategy designed to lower engineering costs, leverage know-how for localization and accelerate R&D efforts. Our clients range from large highly diversified engineering conglomerates to companies that are leaders in niche engineering. We operate from 30 global locations across 16 countries - Canada, USA, UK, Germany, France, Norway, Sweden, Denmark, Netherlands, Dubai, Singapore, Malaysia, Japan, Australia and New Zealand - and accommodate the largest operations out of India for Engineering Services, and Network & Content Engineering (N & CE) services.

Infotech's cutting edge is its industry specific domain expertise, people and processes, technologies, tools and training. We draw on this strong foundation to create measurable business impact for customers around the world, resulting in long-term relationships with several of the most recognized names in their respective industries. Infotech operate offshore 'Centres of Excellence' for leaders in the Aerospace, Rail, Telecommunications, Transportation and Government verticals.

Our processes are aligned with practices of ISO 9001:2008, ISO 27001:2005, AS 9100C, IRIS, ISO 13485 quality standards and CMMi Level 5 framework.

We are a (INFOTECENT in BSE – Bombay Stock Exchange and in NSE – National Stock Exchange) listed company with equity participation from globally reputed investors. For more information, please visit www.infotech-enterprises.com
