Mayor of London, Boris Johnson, Visits Infotech Enterprises

Hyderabad, India – The Mayor of London, Boris Johnson visited Infotech Enterprises' Hyderabad facility along with members of his delegation. During his visit, the Mayor was briefed on several complex and safety-critical projects being executed by the Infotech team for customers in London and the UK.

Mayor Johnson's visit involved deliberations with Krishna Bodanapu, President and COO, Infotech Enterprises, and several other industry leaders in the technology space. The Indian business delegation reiterated its commitment to the UK economy through mutually beneficial and value-based partnerships.

In his address, Mayor Johnson appreciated Infotech and the Indian industry for their contribution to London and the UK economy and offered support for trade and investment initiatives. Commenting on the occasion, Krishna Bodanapu said, "Forums like these are really helpful for business, and Infotech is extremely happy to provide a platform."

Mayor Johnson is currently on a six-day tour of India to promote business links with London.
