Dear Sir,

Sub.: Interaction with media

Mr. B.V.R. Mohan Reddy, Chairman & Managing Director, interacted with Deccan Chronicle & Bloomberg earlier today. The summary of the interaction is as follows:

- Demand is strong for both Engineering and N&CE
- In Engineering, all industry verticals are doing well. - Aerospace, Hitech, Heavy Engineering-cited the background for growth in each of these.
- Under N&CE - Utilities – Smart Metering, Telecom Engineering and Govt. – Europe were mentioned
- Europe is a mixed bag in terms of overall business while US is strong and APAC is growing.
- Company will grow more than Industry Average – 22-23%
- Company will get back to 16% margin levels by the end of the year
- 33% of our Customers have given price increases from 3-4%
- This year Company plans to have 2000 net additions to its work force, in which 1200 will be freshers
- Attrition will be 16-18% - around industry average
- Company has tied up with JNTUK Kakinada for M.Tech Avionics with a view to having employable talent
- Company has a strong cash balance of Rs.429 Crores

Thanking you
For Infotech Enterprises Limited
