PRESS RELEASE

Infosys positioned as a Leader in Gartner® Magic Quadrant™ for IT Services for Communications Service Providers 2021, Worldwide

Bengaluru, India – December 09, 2021: [Infosys](#) (NSE, BSE, NYSE: INFY), a global leader in next-generation digital services and consulting, has been positioned as a Leader in Gartner Magic Quadrant for IT Services for Communications Service Providers 2021, Worldwide. Infosys has been recognized for its ability to execute and completeness of vision in this space.

Infosys with its deep domain expertise and experience leverages the Infosys Innovation Network (IIN), [Living Labs](#), integrated platforms/solutions/products and its global alliances and partner ecosystem to help Communications Service Providers (CSPs) in their journey towards digital transformation. Infosys is helping CSPs stay relevant and resilient in these unprecedented times by using its key solutions like [Applied AI](#) and [Infosys Cobalt](#), a set of services, solutions and platforms for enterprises to accelerate their cloud journey.

Anand Swaminathan, Executive Vice President & Global Industry Leader - Communications, Media and Technology at Infosys said, "Enterprises Globally are digitizing their applications with strong focus on business resiliency as well. We believe that our placement as a Leader in Gartner Magic Quadrant report is a testament to the relentless focus we have on our clients' journey to becoming more competitive and disruptive. Such recognitions strengthen our position and reaffirm our commitment to deliver the best in class IT cloud services to CSPs globally. With the advent of newer areas like Open Networks, and fast developing maturity in AI and 5G, we are excited about what the future holds for us as we work even closer with our clients and ecosystem of partners."

Safe Harbor

Certain statements in this release concerning our future growth prospects, financial expectations and plans for navigating the COVID-19 impact on our employees, clients and stakeholders are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding COVID-19 and the effects of government and other measures seeking to contain its spread, risks related to an economic downturn or recession in India, the United States and other countries around the world, changes in political, business, and economic conditions, fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2021. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
