Infosys Completes Acquisition of Fluido, the Largest Salesforce Consulting Partner in Nordics

Bengaluru, India and Espoo, Finland – October 11, 2018: Infosys (NYSE: INFY), a global leader in consulting, technology and next-generation services, today announced that it has completed the acquisition of Fluido, the leading Salesforce advisor and consulting partner in Nordics and a recognized leader in cloud consulting, implementation and training services. This follows the announcement the company made on September 14, 2018.

Fluido, is one of the largest and longest tenured independent Salesforce Platinum Consulting Partners in Europe and an Authorized Salesforce Training Delivery partner in the Nordics. Fluido brings to Infosys globally recognized Salesforce expertise, alongside a world-class agile delivery process that simultaneously simplifies and scales digital efforts across channels and touchpoints. The acquisition is in accordance with the terms set out in the agreement announced by the company on September 14, 2018.

Through this acquisition Infosys strengthens its position as a leading Salesforce enterprise cloud services provider, and enhances its ability to provide clients an unparalleled cloud-first transformation. With offices in Finland, Denmark, Sweden, Norway and Slovakia, Fluido elevates Infosys' presence across the Nordics region with developed assets and deep client relationships, a great team and an effective local culture. Fluido customers are represented across industries, such as manufacturing, energy, retail and telecommunications sector.

Infosys has concluded the acquisition for a consideration up to EUR 65 million including earn-out, management incentives and bonuses.

Safe Harbor
Certain statements in this press release are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, including statements concerning our future business opportunities and growth prospects. Such forward-looking statements involve a number of

risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2018. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. In addition, please note that any forward-looking statements contained herein are based on assumptions that we believe to be reasonable as of the date of this press release. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
