## PRESS RELEASE

### **Infosys Positioned as a Leader for the Second Consecutive Year in 2022 Gartner® Magic Quadrant™ for Data and Analytics Service Providers**

**Bengaluru, India – April 28, 2022:** [Infosys](#) (NSE, BSE, NYSE: INFY), a global leader in next-generation digital services and consulting, today announced that it has been positioned as a Leader in 2022 Gartner Magic Quadrant for Data and Analytics Service Providers. Infosys has been recognized for its ability to execute and completeness of vision in this space.

Infosys helps enterprises unlock the potential of data to generate actionable insights and develop new business possibilities. Infosys brings together investments in data, analytics, AI, cloud, and its rich innovation ecosystem to help clients drive autonomous decisions and accelerate their data-led business transformation initiatives.

**Satish HC, Executive Vice President, Co-Head of Delivery, Infosys**, said, “As enterprises accelerate their digital journeys to unlock new business possibilities, they need to become more autonomous, data-networked and agile. Doing so requires a shift in orientation from people augmented with technology to technology augmented with people driven by data, insights, AI-powered intelligence and collaboration across the value chain. At Infosys, we help our clients achieve this data-led business transformation by bringing together deep industry expertise, proven solutions and strategic collaboration with our ecosystem of partners. We think, being recognized as a Leader in the 2022 Gartner Magic Quadrant for Data and Analytics Service Providers, strengthens our position and reaffirms our commitment to explore new ways of improving business outcomes for our clients.”
