PRESS RELEASE

Infosys Partners with ABN AMRO to Accelerate its Cloud and DevOps Transformation Journey

Amsterdam and Bengaluru – January 30, 2020: Infosys (NYSE: INFY), a global leader in next-generation Digital services and Consulting, has signed a multi-year, multi-million contract with ABN AMRO Bank to accelerate its cloud and DevOps transformation journey. As part of this renewed contract, Infosys will enable ABN AMRO Bank to achieve its business and operational goals by aligning its IT transformation with its cloud platform strategy. Leveraging its expertise in cloud and data management services, Infosys will help ABN AMRO Bank to navigate to a single public cloud to deliver agility and cost efficiency in business operations.

Infosys will deliver this transformation through agile execution. To build a culture of collaboration, Infosys will train the workforce on Microsoft Azure, and other cloud native tools including the ABN AMRO Bank specific toolset, to facilitate CICD (continuous integration and continuous delivery), with a focus on security and code quality.

Mohit Joshi, President and Segment Head – Banking, Financial Services & Insurance, Healthcare & Life Sciences, Infosys, said, "Over the years, Infosys has significantly helped ABN AMRO bank streamline their digital transformation journey and enhance their overall business efficiency. ABN AMRO and Infosys's strategic joint venture in end-to-end mortgage administration services, Stater, has allowed us to deepen the relationship further with the bank. We will continue to leverage our investments in cloud, digital and DevOps to help the bank achieve agility and optimal business efficiency. As one of ABN AMRO's longest tenured partners, we are delighted to continue our strategic collaboration with them and will continue to set new digital benchmarks."

Christian Bornfeld, Chief Innovation & Technology Officer (Group COO) and Executive Board Member at ABN AMRO Bank, said, "At ABN AMRO Bank, we're excited to be working with Infosys and accomplish our strategic goals and deliver this very key IT transformation in the coming years. Infosys' strategic investment in cloud, digital and DevOps has helped create best in class solutions and we are confident that this partnership will help us transform our IT environment in a timely and cost-effective way."

About ABN AMRO Bank

Safe Harbor

Certain statements mentioned in this release concerning our future growth prospects are forward-looking statements regarding our future business expectations intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2019. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
