PRESS RELEASE

Fidelity Bank of Nigeria Selects Finacle Version 10 to Drive Innovation and Growth

Bangalore, India and Lagos, Nigeria – August 18, 2015: Infosys Finacle, part of EdgeVerve Systems, a product subsidiary of Infosys (NYSE: INFY), today announced that Fidelity Bank Plc., Nigeria, one of the fastest growing Commercial Banks in Africa, will migrate its core banking platform from Finacle version 7 to Finacle version 10. The migration, which is part of the bank's transformation initiative, will enhance its operational efficiency, strengthen innovation capabilities and support scalable growth. Finacle version 10 will enable the bank to implement services such as SME banking, management information system reporting, application monitoring, and disaster recovery automation.

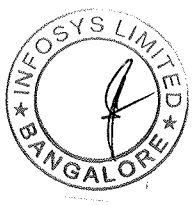

Highlights:

- The multi-country migration to Finacle version 10 will enable the bank to operate 24/7 across channels and currencies
- It will help the bank with in-depth customer analytics, right-sell opportunities, and personalized offerings
- The deployment will also create new business opportunities through offerings such as liquidity management, top-up deposit, flexi-fixed deposit, enhanced channel transaction controls, rebates and clawbacks, bill payments, securitization, top-up loan, and subsidy

Quotes

Michael Reh, Executive Vice President and CEO (designate), EdgeVerve:
"Banks in Africa have shown strong growth outlook over the last few years. Technology and a reliable technology partner are crucial for this growth. Finacle has a proven track record in Africa, having helped our clients there attain exceptional growth through industry-leading solutions and committed partnerships. We look forward to supporting Fidelity Bank in delivering a value-driven experience to its customers and achieving market-leading growth."

Lazarus I. Okolie, General Manager and Chief Technical Officer, Fidelity Bank Plc., Nigeria:
"In today's intensely competitive landscape, it is imperative for us to do nothing less than delight our customers, to grow our business. Over the past eight years, Finacle has provided a stable platform to help us constantly focus on delivering superior customer value cost-effectively and in a user-friendly manner.

We believe the upgrade to the new-generation Finacle solution will further aid our long-term business objectives and create new avenues for revenue growth."

About Infosys Finacle

Finacle is the industry-leading universal banking solution from EdgeVerve Systems, a wholly owned subsidiary of Infosys. The solution helps financial institutions develop deeper connections with stakeholders, power continuous innovation and accelerate growth in the digital world. Today, Finacle is the choice of banks across 84 countries and serves over 547 million customers – nearly 16.5 percent of the world's adult banked population.

Finacle solutions address the core banking, e-banking, mobile banking, CRM, payments, treasury, origination, liquidity management, Islamic banking, wealth management, and analytics needs of financial institutions worldwide. Assessment of the top 1000 world banks reveals that banks powered by Finacle enjoy 50 percent higher returns on assets, 30 percent higher returns on capital, and 8.1 percent points lesser costs to income than others.

About EdgeVerve Systems

EdgeVerve Systems, a product subsidiary of Infosys (NYSE: INFY), develops innovative software products and offers them on-premise or as cloud-hosted business platforms. Our products help businesses develop deeper connections with stakeholders, power continuous innovation and accelerate growth in the digital world. We power our clients' growth in rapidly evolving areas like banking, digital marketing, interactive commerce, distributive trade, credit servicing, customer service and enterprise buying.

Today, EdgeVerve products are used by global corporations across financial services, insurance, retail and CPG, life sciences, manufacturing, and telecom. Infosys Finacle, our universal banking solution, is the choice of financial institutions across 84 countries and serves over 547 million customers – nearly 16.5 percent of the world's adult banked population.

Safe Harbor

Certain statements in this press release concerning our future growth prospects are forward-looking statements regarding our future business expectations intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2015. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained

INFOSYS LIMITED BANGALORE

in the company's filings with the Securities and Exchange Commission and our reports to shareholders. Any forward-looking statements contained herein are based on assumptions that we believe to be reasonable as of this date. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
