Note:

1. In case of promoter (s) making disclosure under Regulation 30(2), no additional disclosure under Regulation 30(1) is required.

(*) On April 30, 2019, Gardner Denver Holdings, Inc. ("GDI") announced the acquisition of industrial business segment of the erstwhile Ingersoll-Rand plc ("IR plc"), currently known as Trane Technologies plc ("Trane Technologies") pursuant to a merger ("Global Acquisition"). As part of the Global Acquisition, various entities forming part of the industrial business segment of Trane Technologies including the Target Company, were to be acquired by GDI. Pursuant to this, the obligation to make an open offer to the shareholders of the TC was triggered in accordance with Regulations 3(1), 4 and 5 of the Takeover Regulations and accordingly, GDI along with persons acting in concert with it made a public announcement in compliance with the Takeover Regulations ("Open Offer").

The Global Acquisition was completed in February 2020 pursuant to which GDI (along with persons acting in concert with it) indirectly acquired the Target Company. However, after the completion of the Global Acquisition, Trane Technologies Company LLC (formerly known as Ingersoll-Rand Company) continues to be part of the group of companies held by Trane Technologies (formerly known as IR plc). The Open Offer is currently underway and since Trane Technologies Company LLC (formerly known as Ingersoll-Rand Company)

has not been re-classified as a public shareholder in accordance with Regulation 31A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, it is continued to be disclosed under the category 'promoter/promoter group' in the shareholding pattern filed by the TC to the stock exchanges albeit holding 'nil' equity shares of the TC.

In view of the above, since Trane Technologies Company LLC (formerly known as Ingersoll-Rand Company) is continued to be disclosed under the category 'promoter/promoter group' of the TC in the shareholding pattern submitted to the stock exchanges, the present disclosure under Regulation 30(2) of the Takeover Regulations is being made.

- (*)** *Diluted share/ voting capital means the total number of shares in the TC assuming full conversion of the outstanding convertible securities/warrants into equity shares of the TC.*
- (**)** *Part-B shall be disclosed to the Stock Exchanges but shall not be disseminated.*
