CHAIRMAN'S MESSAGE:

Dear Shareholder

I am happy to share with you all that 2019-2020 has been an incredible year for Innovana Thinklabs in terms of growth as well as expansion. Though this fiscal year did come with some challenges, such as the current global pandemic, the same did not derail our progress and we achieved some extraordinary results.

The current crisis that the world is facing has put a heavy toll on the global economy as well as employment rate. We have taken certain actions to support our clients, employees and communities during this critical time which will prove to be pivotal for the overall growth of the company and all the people associated with it.

In the fiscal year 2019-2020, the firm generated consolidated revenue of Rs. 64.30 Crores with consolidated net profit of Rs. 21.03 Crores (as of 31st March, 2020).

Our primary focus is to provide the most advanced and most suitable business and technological solutions to our clients that resonate with their vision. With our core working methodology in place, we have adopted new-age technologies to ensure that our clients always stay ahead of the curve. During this fiscal year, we have grown from strength to strength, collaborating with several new clients and building the necessary infrastructure and capacity to support the same. We have broadened the scope of work as well, with some clients which would not only improve our revenue but will also open new business avenues for us. And it is needless to say, that our success here subsequently increases the value that we offer to our stakeholders.

We have established a strong foothold in the market and this consistency will stay put as we move into the next year. There are multiple projects and ideas in the pipeline that could be a major breakthrough for our business and its growth in the coming years. A larger and more diversified client-base is what we are aiming for in the next year and all our efforts are directed towards the same.

We are also aiming to expand our sales and marketing resources, to add new, niche and high-margin accounts, and to build new capabilities while simultaneously strengthening our existing client base.

I would conclude by appreciating our exceptional leadership team who has been instrumental in the rapid growth of the company and for devising and implementing the business strategies successfully. I would also like to laud all our employees for their energy and commitment to help Innovana Thinklabs achieve such exceptional results. This extraordinary zeal and commitment to serve our clients is what sets us apart from others.

Lastly, I thank you, our shareholders, for your unwavering support, confidence and trust in Innovana Thinklabs Limited.

Chandan Garg
Chairman

Notes:

The Explanatory Statement pursuant to sub-section (1) of Section 102 of the Companies Act, 2013 in respect of the Special Business is annexed hereto and forms part of the Notice.

1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/ PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF AND SUCH A PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.

A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting power. A member holding more than 10% of the total share capital of the company may appoint single person as proxy and such person shall not act as a proxy for any other shareholder. The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting.

Corporate members intending to send their authorized representatives to attend the Meeting are requested to send a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.

Members and Proxies attending the Meeting should bring the attendance slip duly filled in for attending the Meeting. Members who hold shares in dematerialized form are requested to bring their Client ID and DP ID numbers for easy identification for attendance at the Meeting.

2. Members are informed that in case of joint holders attending the meeting, only such Joint holder who is higher in the order of the names will be entitled to vote.

3. The Register of Members and Share Transfer Books of the Company shall remain closed from Wednesday September 23, 2020 to Wednesday September 30, 2020 (both days inclusive) for the purpose of this Annual General Meeting.

4. M/s. SKYLINE FINANCIAL SERVICES PVT.LTD is the Registrar and Share Transfer Agent (RTA) for physical shares and is also the depository interface of the Company with both CDSL and NSDL.

5. Members holding shares in dematerialised form are requested to intimate all changes pertaining to their bank details, nominations, change of address, change of name and e-mail address, etc., to their Depository Participant. This will help the Company and the Company's Registrar and Transfer Agent, M/s SKYLINE FINANCIAL SERVICES PVT.LTD. to provide efficient and prompt services. Members holding shares in physical form are requested to intimate such changes to Registrar. Non-resident Indian members are requested to inform the company or its RTA or to the concerned DP's, the change in the residential status on return to India for permanent settlement and the particulars of NRE/NRO account with a bank in India, if not furnished earlier.

6. Members may now avail the facility of nomination by nominating, in the prescribed form, a person to whom their shares in the Company shall vest in the event of their death. Interested Members may write to the Registrars and Share Transfer Agents for the prescribed form.

7. The documents referred to in the proposed resolutions are available for inspection at the Registered Office of the Company during working hours between 10:00 a.m. to 5:00 p.m. except on holidays.

8. Queries on accounts and operations may please be sent to the Company 7 days in advance of the 05th Annual General Meeting so that the answers may be made available at the meeting.

9. The Ministry of Corporate Affairs (MCA) vide circular nos. 17/2011 and 18/2011 dated April 21, 2011 and

April 29, 2011 respectively has taken a ‘Green Initiative in Corporate Governance’ and allowed Companies to send communication to the shareholders through electronic mode. Members are requested to support this Green Initiative by registering/updating their e-mail addresses, in respect of shares held in dematerialized form with their respective Depository Participants and in respect of shares held in physical form with the Company or its Transfer Agent.

10. Electronic copy of the Notice of the 05th Annual General Meeting of the Company indicating, inter alia, the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company / Depository Participant(s)/RTA for communication purposes unless any member has requested for a hard copy of the same.

11. Members may also note that the Notice of the 05th Annual General Meeting and the Annual Report for the year 2019-20 will also be available on the Company’s website www.innovanathinklabs.com for their download. The physical copies of the aforesaid documents will also be available at the Company’s Registered Office in Jaipur for inspection during normal business hours on working days. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by permitted mode free of cost. For any communication, the shareholders may also send requests to the Company’s investor email id: cs@innovanathinklabs.com.

12. Ms. Srishti Mathur, Practicing Company Secretary has been appointed as Scrutinizer for Conducting the AGM in accordance with the law in a fair and transparent manner.

VOTING THROUGH ELECTRONIC MEANS

In compliance with the SEBI (LODR), 2015 and Sections 108, 110 and other applicable provisions of the Companies Act, 2013, read with the related Rules, the Company is pleased to provide e-voting facility to all its Members, to enable them to cast their votes electronically instead of dispatching the physical Postal Ballot Form by post. The Company has engaged the services of CDSL for the purpose of providing e-voting facility to all its Members.

The instruction to members for voting electronically are as under:

- 1) The voting period (including e-voting) begins on September 26, 2020 at 10.00 A.M ends on September 29, 2020 at 5.00 P.M During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 23, 2020 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- 2) The shareholders should log on to the e-voting website www.evotingindia.com.
- 3) Click on “Shareholders” tab.
- 4) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- 5) Next enter the Image Verification as displayed and Click on Login.
- 6) If you are holding shares in Demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- 7) If you are a first-time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form	
PAN	<p>Enter your 10-digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both Demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field. In case the sequence number is less than 8 digits enter the applicable number of 0’s before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field
Dividend Bank Details or Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your Demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction

- 8) After entering these details appropriately, click on “SUBMIT” tab.
- 9) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in Demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the Demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- 10) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- 11) Click on the EVSN for the relevant <Innovana Thinklabs Limited> on which you choose to vote.
- 12) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- 13) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- 14) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- 15) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- 16) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- 17) If a Demat account holder has forgotten the login password, then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- 18) Note for Non-Individual Shareholders and Custodians:
Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

IN CASE OF MEMBERS RECEIVING THE PHYSICAL COPY:

- A. User ID and initial password is provided in the Postal Ballot Form.
- B. Please follow all steps from Sr. no. (1) to (17)

Once the vote on a resolution is cast by a Member, the Member shall not be allowed to change it subsequently or cast vote again.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com or cs@innovanathinklabs.com

ANNEXURE “D” THE DIRECTOR’S REPORT**MANAGEMENT DISCUSSION AND ANALYSIS REPORT*****FORWARD LOOKING STATEMENTS:***

The Management Discussion and Analysis Report have been prepared in compliance with the requirements of Listing Agreements and contain expectations and projections about the strategy for growth.

Certain statements in the Management Discussion and Analysis Report are forward looking statements which involve a number of risks and uncertainties that could differ from actual results performance or achievements which such forward looking statements on the basis of any subsequent developments, information or events for which the Company do not bear any responsibility.

BUSINESS OVERVIEW:

“Innovana Thinklabs Limited” was formed in the year 2015 by Mr. Chandan Garg and Mr. Kapil Garg, promoter and directors of the company. The company is engaged in software development business which directly provides services to create new applications and enhance the functionality of existing software products. Our product portfolio consists of applications and software such as Ad-blocker, Disk Cleanup, Space Reviver, File Opener, Privacy Protector, etc. We have developed numerous products and these products have registered their presence. The operations of our company are controlled from our registered office situated in Jaipur, Rajasthan.

The company got converted from Private Limited to Public Limited, after getting shareholders’ approval in the Extra Ordinary general meeting of the company held on 14/06/2017, Further Company got listed on NSE EMERGE platform of National Stock Exchange of India Limited on 12/12/2017.

We strive to provide our clients with exceptional software and services that will create a meaningful impact on their bottom line. We believe our success stems from the excellence of our people and our unwavering commitment to our clients.

FUTURE BUSINESS PROSPECTS:

Software developers are looking to India as development and production base for their products and a number of software packages developed in this country has gained instant recognition overseas. Over the years the growth drivers for this sector have been the verticals of manufacturing, telecommunications, insurance, banking, finance and of late the fledging retail revolution. As the new scenario unfolds it is getting clear that the future growth of IT and ITes will be fueled by the verticals of climate change, mobile applications, healthcare, energy efficiency and sustainable energy. Traditional business strongholds would make way for new geographies, there would be new customers and more and more of SMEs will go for IT application and services.

OPPORTUNITIES AND THREATS:

With the introduction of the concept of e-governance, both the Central and State Government are keen on implementing different projects to keep the activities of the governments transparent, timely and cost effective. There is an absolute increase in the fund allotment by the Governments for implementing the projects. This creates an opportunity for the experienced and expert organizations to broaden their horizon and support the Government in faster implementation of the projects. The increased volume of business attracts more number of players in the field and the competition becomes Severe. Only the effective and efficient organizations could stand a competitive situation. The management is confident that with its exposure and experience in this field of e-governance, it stands a better chance than others.

INTERNAL CONTROLS AND THEIR ADEQUACIES:

The internal control system is intended to increase transparency and accountability in an organization's process of designing and implementing a system of internal control. They have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes,

safeguarding assets from unauthorized use, executing transaction with proper authorization and ensuring compliance of corporate policies.

OUTLOOK:

The outlook of the Company remains positive. **Innovana Thinklabs Limited** is cautiously optimistic about its prospects in the coming years. The Company aims at providing high quality products and services to the customers and to provide them with greater satisfaction. For last couple of years, the company has taken a number of initiatives to re- structure and re- engineer the operation to enable the company to compete better in this profound competitive regime.

There are no major risks and concerns except the technology up gradation and increasing power tariff and growing competition. The company is guarding itself against these risks by laying down appropriate strategy which is to be supplemented by business plans and review mechanisms.

RISKS AND CONCERNS:

- Inherent risk to accommodate technological changes due to involvement in IT industry.
- Unable to expand successfully beyond India.
- No clear product vision beyond current offering.
- Little brand recognition.
- Increased competition from local and big players.
- New technology changes.
- Changes in government policies and other regulations.

HUMAN RESOURCES DEVELOPMENT:

To retain a sustainable competitive advantage in the new knowledge economy, learning is a key catalyst for an organization's survival and success. The Company provides tremendous learning and development opportunities to its employees starting from induction and orientation programme for all the new joiners to regular training programme to develop and enhance the skill levels, both functional and behavioral, for all the employees. The training programmes are tailored according to the business requirements and employee needs at various levels and designed with the help of a well-structured process of need identification connected to the business demands. Functional and technical training form an important part of the Company's annual training calendar as they are directly linked with the employees' role and on the job performance.

ANNEXURE “I” THE DIRECTOR’S REPORT

SECRETARIAL AUDIT REPORT

Form No. MR-3

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
INNOVANA THINKLABS LIMITED

We have conducted the secretarial audit of all applicable statutory provisions for the financial year 2019-20 of **M/s Innovana Thinklabs Limited** (hereinafter called “The Company”), incorporated on 13th April 2015 having CIN L72900RJ2015PLC047363 and registered office at Plot No. D-41, Patrakar Colony, Near Jawahar Nagar Moti Dungri Vistar Yojna, Raja Park, Jaipur.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion; the Company has, during the audit period covering the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minutes’ book, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020, to the extent applicable, according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- 2) The Securities Contract (Regulation) Act, 1956 and Rules made thereunder;
- 3) The Depositories Act, 1996 and Regulations and Bye-laws framed thereunder;
- 4) The following Regulations and Guidelines prescribed under the Securities & Exchange Board of India Act, 1992 (“SEBI Act”) to the extent applicable;
- 5) Information Technology Act, 2000 and Rules made thereunder
 - A. SEBI (Substantial Acquisition of Shares and Takeover) Regulation, 2011
 - B. SEBI (Prohibition of Insider Trading) Regulations, 2015
 - C. SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009
 - D. SEBI (Issue and listing of Debt securities) Regulations, 2008
 - E. SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993
 - F. SEBI (Delisting of Equity Shares) Regulations, 2009
 - G. SEBI (Buy Back of Securities) Regulation, 1998

We have also examined compliance with the applicable clauses of the following:

- a) **Secretarial Standards issued by The Institute of Company Secretaries of India.**
- b) **SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015**

In our observation, during the period under review, the Company has-complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except the following: -

We further report that-

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in the Board Meeting and in compliance with the provisions of the Act.
- b) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c) None of the directors in any meeting dissented on any resolution and hence there was no instance of recording any dissenting member's view in the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. We further report that during the audit period the Company has passed special resolutions which are having major bearing on the Company's affairs in pursuant of the above referred laws, rules, regulations, guidelines, standards.

This report is to be read with my letter of even date which is annexed as Annexure "A" which forms an integral part of this report.

Note: Pursuant to section 135(6) of Companies Act, 2013, company has transfer unspent amount of CSR to separate CSR unspent Account.

Pursuant to relevant regulation of Insider Trading Regulation, The regulation compliance should be maintained in structured digital database but company has maintained structured digital database in Excel format"

Certificate on the Compliance of Conditions of Corporate Governance for the year ended March 31, 2020

To
The Members,
Innovana Thinklabs Limited
Jaipur

*We have examined the compliance of conditions of Corporate Governance by **INNOVANA THINKLABS LIMITED** ("the Company"), for the financial year ended on March 31, 2020, as stipulated in Chapter IV of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 pursuant to listing Agreement of the said Company with Stock Exchange*

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was limited to review the procedures and implementation thereof adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Chapter IV of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 pursuant to listing Agreement of the said Company with Stock Exchange.

We further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency with which the management has conducted the affairs of the company.

INDEPENDENT AUDITORS' REPORT

**TO
THE MEMBERS OF
INNOVANA THINKLABS LIMITED.
Report on the standalone Ind AS Financial statement**

Opinion

We have audited the accompanying financial statements of INNOVANA THINKLABS LIMITED ("the company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2020;
- b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Statement of changes inequity
- d) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, Statement of changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, the procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be

expected to influence the economic decisions of users taken on the basis of these financial statements.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

Basis of Opinion

We conducted our audit in accordance with the Indian Accounting Standards on Auditing (Ind AS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Ind AS specified under section 133 of the Act, of the state of affairs (financial position) of the company as at 31st March 2020, and its profit and loss account (financial performance including other comprehensive Income), its cash flow and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure-A** a statement on the matters specified in the paragraph 3 and 4 of the order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those
 - c. the Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in Equity, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.[and the returns received from the branches which are prepared by us]
 - d. In our opinion, the aforesaid standalone financial statements comply with Ind. AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on 31st March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**"; and
 - g. With respect to the other matters included in the Auditor's Report and to our best of our information and according to the explanations given to us:

- The Company does not have any pending litigations which would impact its financial position.
- The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company [or, following are the instances of delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company or there were no amounts which required to be transferred]

ANNEXURE - B TO THE AUDITORS' REPORT

(Referred to in paragraph 2(f) of our report of even date under the heading “Report on Other Legal and Regulatory Requirements” to the members of Innovana Thinklabs Limited on the IND AS Financial Statements as of and for the year ended March 31, 2020)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **INNOVANA THINKLABS LIMITED** (“The Company”) as of 31st March 2020 in conjunction with our audit of the IND AS Financial Statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1-SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF FINANCIAL STATEMENTS

1.1 General information:

The financial statements comprise of Balance Sheet, Statement of Profit and Loss, Statement of Change in Equity and Statement of Cash Flows together with the notes thereon of INNOVANA THINKLABS LIMITED for the year ended March 31, 2020.

The Company is a public limited company incorporated and domiciled in India under the provisions of the Companies Act applicable in India. It is a company listed at National Stock Exchange (NSE). The Corporate office of the Company is located at Plot No. D-41, Patrakar Colony, Near Jawahar Nagar Moti Dungri Vistar Yojna, Raja Park, Jaipur 302004.

The Company is engaged in software and application development business which directly provide services to retail user. Company basically design, develop and maintain software systems and solutions create new application and enhance the functionality of our customer's existing software products.

1.2 Basis of Preparation and Statement of compliance

The financial statements have been prepared in accordance with IND AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

For all periods upto and including the year ended March 31, 2019, the Company prepared Its financial statements in accordance with the requirements of previous GAAP prescribed under section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements for the financial year ended March 31, 2020 with comparative figures for the year ended March 31, 2019 also under IND AS.

The financial statements are prepared under the historical cost convention, on the accounting principles of a going concern. All assets and liabilities have been classified as current or non-current in accordance with the operating cycle criteria set out in IND AS 1 and Schedule III to the Companies Act, 2013.

Accounting Policies not specifically referred to otherwise are consistent and in consonance with the applicable accounting standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

All expenses and incomes to the extent ascertainable with reasonable certainty are accounted for on accrual basis. All taxes, duties and cess etc. paid on purchases have been charged to the Statement of Profit and Loss except such taxes, duties and cess, which are subsequently recoverable with reasonable certainty from the taxing authorities.

The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest rupee, except otherwise indicated.

1.3 Significant Accounting Policies:

1.3.1.- Property, Plant and Equipment:

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold or Leasehold land is stated at historical cost.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Where an obligation (legal or constructive) exists to dismantle or remove an asset or restore a site to its former condition at the end of its useful life, the present value of the estimate cost of dismantling, removing or restoring the site is capitalized along with the cost of acquisition or construction upon completion and a corresponding liability is recognized.

Cost of regular comprehensive maintenance work (such as major overhaul) are capitalized as a separate component if they satisfy the recognition criteria. Otherwise they are charged to Profit and Loss during the reporting period in which they are incurred.

1.3.2- Other Intangible Assets: -

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Intangible assets with indefinite useful lives are carried at cost less accumulated impairment losses.

1.3.3 Derecognized of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in profit or loss when the asset is derecognized.

1.3.4- Depreciation & Amortization: -

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method as per the provisions of Part C of Schedule II of the Companies Act, 2013 based on useful life and residual value specified therein. The residual values are not more than 5% of the original cost of the asset's the asset's residual value and useful life are reviewed and adjusted if appropriate at the end of each reporting period. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives

Estimated useful lives of the assets are as follows:

Class of assets	Useful life in Years
Buildings	30
Plant and Machinery	15
Furniture and fixtures	10
Vehicles	08
Office equipment	05
Computer	03

The Use full life are taken as determined based on technical evaluation done by the management expert or those specified by schedule II of the company Act, 2013 in order to reflect to the actual usages of the Assets

1.3.5 Capital Work-in-progress/ intangible assets under development and Pre-Operative Expenses during Construction Period

Capital work-in-progress comprises of the cost of PPE that are not yet ready for their intended use at the Balance Sheet date.

Cost of material consumed, erection charges thereon along with other related expenses incurred for the projects are shown as CWIP for capitalization.

Expenditure attributable to construction of fixed assets are identified and allocated on a systematic basis to the cost of the related asset.

Interest during construction and expenditure (net) allocated to construction are apportioned to CWIP/ intangible assets under development on the basis of the closing balance of Specific asset or part of asset being capitalized. The balance, if any, left after such capitalization is kept as a separate item under the CWIP/intangible assets Schedule.

Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance of claims.

Any other expenditure which is not directly or indirectly attributable to the construction of the Project / construction of the Fixed Asset is charged off to statement of profit and loss in the period in which they are incurred.

1.3.6 - Impairment of tangible and intangible assets other than goodwill:-

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

1.3.7 - Borrowing costs:-

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in statement of profit or loss in the period in which they are incurred.

1.3.8 - Cash and cash equivalents:-

Cash and cash equivalent in the balance sheet comprise of cash at banks and on hand and demand deposits with an original maturity of three months or less that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

1.3.9 - Inventories:-

Inventories of Finished Goods, Raw Material and Work in Process are valued at cost or net realizable value whichever is lower. Cost of inventories includes Cost of manufacturing and other cost incurred for the manufacturing and in bringing the inventory to their present location and condition and applicable statutory levies net of under recovered levies charge to Profit and loss but exclude borrowing cost. Costs are assigned on the basis of FIFO method. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make the sale.

1.3.10 - Revenue recognition:-

(a) Trading, Development and Marketing of Software and other related activities:-

Revenue is recognized to the extent that it is probable that economic benefit will flow to the Company and that the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Amount disclosed as revenue are exclusive of excises duty, and net of returns, trade allowances, rebate, value added taxes and amount collected on behalf of third party.

Sales are recognized when the Goods are delivered to customers.

(b) Interest income:

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

1.3.11 - Taxation:-

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Minimum Alternative Tax ('MAT') credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized

in other comprehensive income or directly in equity respectively.

1.3.12 - Earnings per share: -

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

1.3.13 - Provisions, Contingencies and commitments:-

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or

(b) a present obligation that arises from past events but is not recognized because:

(i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

(ii) the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

1.3.14 - Financial instruments:-

Financial assets and financial liabilities are recognized when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Financial Assets

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

Financial assets, other than equity instruments, are subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument,

or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the “Other income” line item.

Impairment of financial assets

The Company recognizes a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortized cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward-looking.

The Company trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables.

The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

The impairment losses and reversals are recognized in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement for impairment testing.

De-recognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset’s carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

For financial assets other than trade receivables, the Company recognizes 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit

losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months ECL.

On de-recognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

1.3.15 - Financial liabilities and equity instruments:-

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

However, financial liabilities that arise when a transfer of a financial asset does not qualify for de-recognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which IND AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which IND AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- Such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the company documented risk management or investment strategy, and information about the Companying is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and IND AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with IND AS109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on measurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognized in profit or loss. The remaining amount of change in the fair value of liability is always recognized in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognized in profit or loss.

Financial liabilities subsequently measured at amortized cost financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated

future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such change are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in the business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassifications and the how they are accounted for:

Original Classification	Revised Classification	Accounting treatment
Amortized cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognized in statement of profit and loss.
FVPTL	Amortized cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on new gross carrying amount.
Amortized cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognized in OCI. No change in EIR due to reclassification.

FVTOCI	Amortized cost	Fair value at reclassification date becomes its new gross carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortized cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new gross carrying amount. No other adjustment is required.
FCTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to statement of profit and loss at the reclassification date.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.3.16 Employee related Benefits

Defined Benefit Plans - General Description

Gratuity: Each employee rendering continuous service of 5 years or more is entitled to receive gratuity amount equal to 15/26 of the monthly emoluments for every completed year of service subject to maximum of 10 Lakhs at the time of separation from the company.

Other long-term employee benefits - General Description

Leave Encashment: Each employee is entitled to get 15 earned leaves for each completed year of service. Encashment of earned leaves is made at the end of the financial years.

The following tables summaries the components of net benefit expense recognized in the statement of profit or loss and the funded status and amounts recognized in the balance sheet for the respective plans:

Changes in the present value of the defined benefit obligation are, as follows:

Particulars	Gratuity Funded	Leave Encashment Unfunded
Defined benefit obligation at 31st March, 2019	76,28,814	-
Current service cost	23,96,358	-
Interest expense	5,56,903	-
Past service cost	-	-
Benefits paid	-	-
Actuarial (gain)/ loss on obligations	10,78,582	-
Defined benefit obligation at 31st March, 2020	1,16,60,657	-

Changes in the Fair value of Plan Assets are, as follows:

Particulars	Gratuity Funded	Leave Encashment Unfunded
Opening Fair Value of Plan Assets at 31st March, 2019	-	-
Actual Return of Plan Assets	-	-
Employer Contribution	-	-
Benefits paid	-	-
Closing fair value of Plan Assets	-	-
Opening Fair Value of Plan Assets at 31st March, 2020	-	-

Actuarial (Gain) / Loss on Plan Assets:

Particulars	31 st March 2020	31 st March 2019
Expected Interest Income	-	-
Actual Income on Plan Assets	-	-
Actuarial (Gain) / Loss on Assets	-	-

Other Comprehensive Income

Particulars	31 st March 2020	31 st March 2019
Opening amount recognized in OCI outside Profit & Loss account	-	-
Actuarial Gain / (Loss) on Liabilities	(10,78,582)	22,43,474
Actuarial Gain / (Loss) on Assets	-	-
Closing amount recognized in OCI outside Profit & Loss account	(10,78,582)	22,43,474

The Amount to be recognized in Balance Sheet Statement

Particulars	31 st March 2020	31 st March 2019
Present Value of Obligation	1,16,60,657	76,28,814
Fair Value of Plan Assets	-	-
Net Obligations	1,16,60,657	76,28,814
Amount Not Recognized due to assets limit	-	-
Net Defined Benefit Liability / (Assets) Recognized in Balance Sheet	1,16,60,657	76,28,814

Expenses Recognized in Statement of Profit and Loss

Particulars	31 st March 2020	31 st March 2019
Service Cost	23,96,358	21,51,591
Net Interest Cost	5,56,903	5,63,952
Expenses recognized in the statement of Profit & Loss	29,53,261	27,15,543

Change in Net Defined Obligations

Particulars	31 st March 2020	31 st March 2019
Opening of Net Defined Benefit Liability	76,28,814	71,56,745
Service Cost	23,96,358	21,51,591

Net Interest Cost	5,56,903	5,63,952
Re-measurements	10,78,582	(22,43,474)
Contribution paid to Fund	-	-
Closing of Net Defined Benefit Liabilities	1,16,60,657	76,28,814

Maturity Profit of Defined Benefit Obligation

Particulars	31 st March 2020	31 st March 2019
Year 1	1512296	12,763
Year 2	1740787	11,46,865
Year 3	1749623	13,37,380
Year 4	1588809	13,43,095
Year 5	1419960	12,19,231
After 5 th Year	7349833	63,97,048
Total	1,53,61,308	1,14,56,383

1.3.17 Investments:

Long term investments are stated at cost. In case, there is a decline other than temporary in the value of the investment, a provision for same is made. Current investments are valued at lower of cost or fair value.

1.4 Use of Estimates, Assumptions and Judgments

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures including the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require an adjustment to the carrying amount of assets or liabilities in future periods. Difference between actual results and estimates are recognized in the periods in which the results are known / materialize. The Company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1.4.1 Taxes

The Company provides for tax considering the applicable tax regulations and based on reasonable estimates. Management periodically evaluates positions taken in the tax returns giving due considerations to tax laws and establishes provisions in the event if required as a result of differing interpretation or due to retrospective amendments, if any. The recognition of deferred tax assets is based on availability of sufficient taxable profits in the Company against which such assets can be utilized. MAT (Minimum Alternate Tax) is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax and will be able to utilize such credit during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Statement of Profit and loss and is included in Deferred Tax Assets. The Company reviews the same at each balance sheet date and if required, writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will be able to absorb such credit during the specified period.

1.4.2 Useful life of Property, Plant and Equipment

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.4.3 Impairment of Non-financial assets

Non-financial assets are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.4.4 Provision for decommissioning

In measuring the provision for ARO, the Company uses technical estimates to determine the expected cost to dismantle and remove the infrastructure equipment from the site and the expected timing of these costs. Discount rates are determined based on the risk adjusted bank rate of a similar period as the liability.

1.4.5 Provisions and Contingent Liabilities

Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Fair value of financial assets and financial liabilities

The management considers that the carrying amounts of non-current and current financial assets and liabilities recognized in the financial statements approximate their fair values.

Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Gearing ratio

The gearing ratio at end of the reporting period was as follows:

Particulars	31 st March 2020	31 st March 2019
Debt (i)	44,47,95,669	26,62,17,206
Cash and bank balances (including cash and bank balances in a disposal Company held for sale)	28,07,03,375	10,28,87,941
Net debt	16,40,92,294	16,33,29,265
Total equity	38,00,66,990	26,88,90,905
Net debt to equity ratio	0.43	0.61

(i) Debt is defined as long-term and short-term borrowings (excluding derivative and contingent consideration).

28.-Other Notes on Financial Statements.

(a) All the balance shown under the heads Trade Receivables, Trade Payables, Loans and Advances, Security Deposits, Other Current Assets, Other Current Liabilities and Unsecured Loans are subject to confirmation and reconciliation.

(b) Corporate Social Responsibility (CSR)

As the net worth of the company is below Rs. 500 crores, Turnover is below Rs. 1000 crores and Net Profit is more than Rs. 5 crores, provision of Section 135 of Companies Act, 2013 are applicable on the company.

(c) The Company has provided the provision for liability of works carried/supplies received pertaining to financial year 2019-20 till such invoices are received by the Company upto 24.06.2020.

(d) Figures have been taken to nearest rupees. Previous year figures have been regrouped / rearranged wherever considered necessary to make them comparable with the Current Year figures.

(e) In respect of Income Tax, the regular assessment up to the AY 2018 - 2019 has been complete. Income tax Department has raised demands for the assessment Year 2017-18 of Rs 35,820/- and for Assessment Year 2018-19 Rs. 6,49,550/-, For which rectification has filed against the said demands.

(h) Contingent liabilities not provided for

Particulars	31 st March 2020	31 st March 2019
(a) Bank Guarantees	-	-
(b) Damages and interest under Employees State Insurance Act 1948 being disputed and appeal there against pending for final disposal.	-	-

(i) Raw Material Consumed

Particulars	As at	31.03.2020	As at	31.03.2019
	%	Amount	%	Amount
Imported	-	-	32.45	4,59,78,230
Indigenous	-	-	67.55	9,56,92,295
Total	-	-	100	14,16,70,525

(j) Stores & Spares Consumed is all Indigenous.

(k) CIF Value of Imports

Particulars	31 st March 2020	31 st March 2019
CIF Value of Imports.	-	4,59,78,230

(l) Expenditure & Earnings in Foreign Currency

Particulars	31 st March 2020	31 st March 2019
Expenditure in Foreign Currency	-	4,95,50,419
Earnings in Foreign Currency	407,342,729	40,80,33,025

29.-Related party disclosure

The related parties where control and significant influence exists are Parents and associates respectively. Key Management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any Director whether executive or otherwise

(A) List of Related Parties

Related parties with whom the Company has entered into transactions during the year:

I	Enterprises over which key management personnel and relatives of such personnel exercise Significant influence.
1.	Innovana Techlabs Limited
2.	Innovana Fitness Labs Limited
3.	Innovana Infrastructure Limited
II	Key Managerial Personnel
1	Mr. Chandan Garg– Chairman & Managing Director
2	Mr. Kapil Garg – Whole Time Director
3	Mrs. Swarna Kanta Garg – Director
4	Mr. Sanjeev Mittal (CFO)

30.- Auditors Remuneration:

Remuneration to Auditors (excluding service tax):

Particulars	31 st March 2020	31 st March 2019
Audit Fees	2,00,000	2,00,000
Tax Audit fees	40,000	40,000
Other Services/ Certifications	10,000	10,000

31.-Events after the reporting period:

In respect of the financial year ending March 31, 2020, no events are required to be reported which occurred after the reporting period.

32.-Approval of financial statements:

The financial statements were approved for issue by the Board of Directors on **24 June, 2020**.

33.- Disclosure under Micro, Small and Medium Enterprises Development Act:

The details of amounts outstanding to Micro, Small and Medium Enterprises under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act), based on the available information with the Company are as under:

S. No.	Particulars	31 st March 2020	31 st March 2019
1	Principal amount outstanding	-	-
2	Principal amount due and remaining unpaid	-	-
3	Interest due on (2) above and the unpaid interest	-	-
4	Interest paid on all delayed payments under the MSMED Act. Payment made beyond the appointed day during the year	-	-
5	Interest due and payable for the period of delay other than (4)above Interest accrued and remaining unpaid	-	-
6	Amount of further interest remaining due and payable in succeeding years	-	-

34.-Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company operates in a competitive environment and is exposed in the ordinary course of its business to risk related to changes in foreign currency exchange rates, commodity prices and interest rates. The fair value of future cash flows of sale of products manufactured and traded will depend upon the demand and supply.

35.- Credit Risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. It encompasses of both, the direct risk of default and the risk of deterioration of credit worthiness as

well as concentration risks. Company's credit risk arises principally from the trade receivable and advances.

Trade Receivables:

Customer credit risk is managed by the company through established policy, procedures and controls relating to customer credit risk management. Credit quality of a customer is assessed based on financial position, past performance, business/economic conditions, market reputation, expected business etc. Based on that credit limits and credit terms are decided. Outstanding customer receivables are regularly monitored.

Trade receivable consists of large number of customers spread across diverse segments and geographical areas with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables. However The Company is not providing any credits to its customers

Age of Receivables:-

(Rupees)

Particulars	31 st March 2020	31 st March 2019
Within the credit period (60-75 days)	-	48,737
Overdue		-
Total	-	48,737

36.-Tax balances: -

a) Deferred Tax:-

The following is the analysis of deferred tax assets/ (liabilities) presented in the balance sheet:

Particulars	31 st March 2020	31 st March 2019
Deferred tax assets (DTA)	3,16,524	1,37,117
Deferred tax Liabilities (DTL)	0	-
Net (DTL)	3,16,524	1,37,117

b) Income tax:

The income tax expense for the year can be reconciled to the accounting profit as follows:

Particulars	31 st March 2020	31 st March 2019
Profit before tax	15,32,70,180	11,87,26,741
Enacted tax rate (%)	25.168	28.11
Computed Expected tax expenses	3,85,75,039	3,33,76,081
Tax impact of non-deductible / deductible expenses and timing difference	8,72,259	4,19,466
Income Tax Expenses charged	3,94,47,298	3,37,95,547

37.- Operating segment:

The Managing Director of the Company is Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators, however only for one segment viz. "Software and Software development ". Hence the Company does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments".

38.-Earnings per share:

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Particulars	31 st March 2020	31 st March 2019
Profit attributable to equity holders of the company: Continuing operations	11,29,23,706	8,75,94,134
Profit attributable to equity holders of the parent for basic earnings	11,29,23,706	8,75,94,134
Weighted average number of Equity shares for basic EPS	1,02,50,000	41,00,000

To,
**THE MEMBERS OF
INNOVANA THINKLABS LIMITED**

Report on the Consolidated IND AS Financial Statements

We have audited the accompanying Consolidated IND AS Financial Statements of INNOVANA THINKLABS LIMITED (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), its associates and jointly controlled entities, comprising of the Consolidated Balance Sheet as at 31st March, 2020, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated Financial Statements”).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor’s Responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal financial control relevant to the Company’s preparation of the consolidated financial statements that give True and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company’s Directors, as well as evaluating the overall presentation of the consolidated Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

in the case of the consolidated Balance Sheet, of the statement of affairs of the Company as at March 31, 2020;
in the case of the consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
in the case of the consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

Other Matter:

We have relied on the Unaudited Financial Statement of Subsidiary :-

S. No.	Subsidiary	Share	Total Assets	Total Revenue
1.	Innovana Techlabs Limited	100%	41,48,57,587	24,99,23,287

ANNEXURE-A TO THE AUDITORS' REPORT

The Annexure referred to in our report to the members of INNOVANA THINKLABS LIMITED for the year ended 31st March, 2020.

On the basis of the information and explanation given to us during the course of our audit, we report that:

1. (a) The company has maintained proper records showing full particulars, including quantitative details and situation of its fixed assets.
- (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a reasonable period, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company. The title deeds of immovable properties are held in the name of the company.
2. (a) As explained to us, the management has conducted the Physical verification of inventory at reasonable intervals and
- (b) The discrepancies noted on physical verification of the inventory as compared to books records which has been properly dealt with in the books of account were not material.
3. The company has granted loans secured or unsecured to companies, firms, Limited Liability Partnerships or other parties during the Financial Year 2019-20 covered in the register maintained under section 189 of the Companies Act, 2013.
- (a) All terms and conditions of loan are for the benefits of company and are not prejudicial to the company's Interest.
- (b) Schedule of repayment of principal and interest has been stipulated and receipts are regular.
- (c) There is no such amount which is overdue more than 90 Days of above mentioned loan.
4. In our opinion and according to the information and explanations given to us, the company have been complied with provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security all mandatory
5. The company has not accepted any deposits from public and hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the act and the Companies (Acceptance of Deposits) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
6. As informed to us, the maintenance of Cost Records has not been specified by the Central Government under subsection (1) of Section 148 of the Act, in respect of the activities carried on by the company.
7. (a) According to information and explanations given to us and on the basis of our examination of the books of account and records, The company is regular in depositing undisputed statutory dues including provident fund, Employee's state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities.
- (b) According to information and explanations given to us and based on the records examined by us, there is no pending dues of income tax, sales tax, service tax, Excise Duty, Customs Duty, value

Added tax which have not been deposited as on March 31, 2020 on account of dispute.

8. In our opinion and according to information and explanations given to us, The Company hasn't made any default in repayment of loans or borrowing to a financial institution, bank, Government or dues to debenture holders.
9. Based upon the audit procedures performed and the information and explanations given by the management The Company has issued Equity Bonus Share against Securities Premium of Rs. 615 Lakhs by issuing nos. 61.5 lacs equity shares of Rs. 10/- each.
10. Based upon the audit procedures performed and the information and explanation given to us, neither company has done any fraud nor by its officers or employees so nothing to be disclosed separately.
11. Based upon the audit procedures performed and the information and explanations given by the management The Managerial remuneration has been paid or provided in accordance with the requisite approvals Mandated by the provisions of section 197 read with Schedule V to the Companies Act.
12. In our opinion and the information and explanations given by the management, Company is not a Nidhi Company hence nothing to be disclosed for any provisions applicable on Nidhi Company.
13. In our opinion, All transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc. as required by the applicable accounting standards;
14. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
15. In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

ANNEXURE - B TO THE AUDITORS' REPORT

(Referred to in paragraph 2(f) of our report of even date under the heading “Report on Other Legal and Regulatory Requirements” to the members of Innovana Thinklabs Limited on the Consolidated IND AS Financial Statements as of and for the year ended March 31, 2020)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over consolidated financial reporting of **INNOVANA THINKLABS LIMITED** (“The Company”) as of 31st March 2020 in conjunction with our audit of the Consolidated IND AS Financial Statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- h) In our opinion, the Company has, in all material respects, as the Holding Company and its Subsidiary Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

2. - SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

1.1 General information:

The consolidated Financial Statements comprise of Balance Sheet, Statement of Profit and Loss, Statement of Change in Equity and Statement of Cash Flows together with the notes thereon of Innovana Thinklabs Limited for the year ended March 31, 2020.

The Company is a public limited company incorporated and domiciled in India under the provisions of the Companies Act, 2013 applicable in India. It is a company listed at National Stock Exchange (NSE EMERGE). The Registered office and corporate office of the Company is situated at Plot No. D-41, Patrakar Colony, Near Jawahar Nagar Puliya, Moti Dungari Vistar Yojna, Raja Park, Jaipur-302004, Rajasthan.

The Company is primarily engaged in the business of Trading, Development and Marketing of Software and other related activities.

The details of subsidiaries, considered in these consolidated financial statements are:

Name of Subsidiary	Incorporated Location	% holding as on 31 st March 2020	% holding as on 31 st March 2019
Innovana Techlabs Limited	India	100%	100%
Innovana Fitness Labs Limited	India	100%	-
Innovana Infrastructure Limited	India	100%	-

The details of Associates Company, considered investment amount as per Ind As – 28 “ Investment in Associates / Joint Ventures “ adopting equity method in the consolidated financial statements are:

Name of Associates Company	Incorporated Location	% holding as on 31 st March 2020	% holding as on 31 st March 2019
FLEECA PRIVATE LIMITED	India	25%	-
FRESHOKARTZ AGRI PRODUCTS PVT LTD	India	25%	-

1.2.1 Basis of Preparation and Statement of compliance

The Consolidated Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

For all periods up to and including the year ended March 31, 2019, the Company prepared Its Consolidated Financial Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Where an obligation (legal or constructive) exists to dismantle or remove an asset or restore a site to its former condition at the end of its useful life, the present value of the estimate cost of dismantling, removing or restoring the site is capitalized along with the cost of acquisition or construction upon completion and a corresponding liability is recognized.

Cost of regular comprehensive maintenance work (such as major overhaul) are capitalized as a separate component if they satisfy the recognition criteria. Otherwise they are charged to Profit and Loss during the reporting period in which they are incurred.

1.3.2- Other Intangible Assets: -

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Intangible assets with indefinite useful lives are carried at cost less accumulated impairment losses.

1.3.3 De recognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are derecognized in profit or loss when the asset is derecognized.

1.3.4- Depreciation & Amortization: -

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method as per the provisions of Part C of Schedule II of the Companies Act, 2013 based on useful life and residual value specified therein. The residual values are note more than 5% of the original cost of the asset's the asset's residual value and useful life are reviewed and adjusted if appropriate at the end of each reporting period.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

Estimated useful lives of the assets are as follows:

Class of assets	Useful life in Years
Buildings	30
Plant and Machinery	15
Furniture and fixtures	10
Vehicles	08
Office equipment	05
Computer	03

The Use full life are taken as determined based on technical evaluation done by the management expert or those specified by schedule II of the company Act,2013 in order to reflect to the actual usages of the Assets

1.3.5 Capital Work-in-progress/ intangible assets under development and Pre-Operative Expenses during Construction Period

Capital work-in-progress comprises of the cost of PPE that are not yet ready for their intended use at the Balance Sheet date.

Cost of material consumed, erection charges thereon along with other related expenses incurred for the projects are shown as CWIP for capitalization.

Expenditure attributable to construction of fixed assets are identified and allocated on a systematic basis to the cost of the related asset.

Interest during construction and expenditure (net) allocated to construction are apportioned to CWIP/ intangible assets under development on the basis of the closing balance of Specific asset or part of asset being capitalized. The balance, if any, left after such capitalization is kept as a separate item under the CWIP/intangible assets Schedule.

Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance of claims.

Any other expenditure which is not directly or indirectly attributable to the construction of the Project / construction of the Fixed Asset is charged off to statement of profit and loss in the period in which they are incurred.

1.3.6 - Impairment of tangible and intangible assets other than goodwill:-

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such Indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

1.3.7 - Borrowing costs:-

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in statement of profit or loss in the period in which they are incurred.

1.3.8 - Cash and cash equivalents:-

Cash and cash equivalent in the balance sheet comprise of cash at banks and on hand and demand deposits, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

1.3.9 - Inventories:-

Inventories of Finished Goods, Raw Material and Work in Process are valued at cost or net realizable value whichever is lower. Cost of inventories includes Cost of manufacturing and other cost incurred for the manufacturing and in bringing the inventory to their present location and condition and applicable statutory levies net of under recovered levies charge to Profit and loss but exclude borrowing cost. Costs are assigned on the basis of FIFO method. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make the sale.

1.3.10 - Revenue recognition:-

(a) Trading, Development and Marketing of Software and other related activities:-

Revenue is recognized to the extent that it is probable that economic benefit will flow to the Company and that the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Amount disclosed as revenue are exclusive of excises duty, and net of returns, trade allowances, rebate, value added taxes and amount collected on behalf of third party.

Sales are recognized when the Goods are delivered to customers.

(b) Interest income:

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

1.3.11 - Taxation:-

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally

recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Minimum Alternative Tax ('MAT') credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

1.3.12 - Earnings per share:-

Basic earnings per share is computed by dividing the profit/ (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

1.3.13 - Provisions, Contingencies and commitments:-

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A disclosure for contingent liabilities is made when there is

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- (b) a present obligation that arises from past events but is not recognized because:
 - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

1.3.14 - Financial instruments:-

Financial assets and financial liabilities are recognized when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Financial Assets

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

Financial assets, other than equity instruments, are subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the “Other income” line item.

Impairment of financial assets

The Company recognizes a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortized cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward-looking.

The Company trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables.

The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

The impairment losses and reversals are recognized in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement for impairment testing.

De-recognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset’s carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would

have otherwise been recognized in profit or loss on disposal of that financial asset.

For financial assets other than trade receivables, the Company recognizes 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months ECL.

On de-recognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

1.3.15 - Financial liabilities and equity instruments: - Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Equity Investment in Associates Companies are recognized as per Ind As – 28 “ Investment in Associates / Joint Venture” adopting the equity method is a method of accounting whereby the investment is initially recognized at cost and adjusted thereafter for the post-acquisition change in the investor’s share of the investee’s net assets. The investor’s profit or loss includes its share of the investee’s profit or loss and the investor’s other comprehensive income includes its share of the investee’s other comprehensive income.

Financial liabilities

However, financial liabilities that arise when a transfer of a financial asset does not qualify for de-recognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or

- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- Such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the company documented risk management or investment strategy, and information about the Companying is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on measurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognized in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognized in profit or loss.

Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business

model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such change are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in the business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest. The following table shows various reclassifications and the how they are accounted for:

Original Classification	Revised Classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognized in statement of profit and loss.
FVPTL	Amortized cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognized in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new gross carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the assets are measured as if it had always been measured at amortized cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new gross Carrying amount. No other adjustment is required.
FCTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to statement of Profit and loss at the reclassification date.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.3.16 Employee related Benefits

Defined Benefit Plans - General Description

Gratuity: Each employee rendering continuous service of 5 years or more is entitled to receive gratuity amount equal to 15/26 of the monthly emoluments for every completed year of service subject to maximum of 10 Lakhs at the time of separation from the company.

Other long-term employee benefits - General Description

Leave Encashment: Each employee is entitled to get 15 earned leaves for each completed year of service. Encashment of earned leaves is made at the end of the financial years.

The following tables summaries the components of net benefit expense recognized in the statement of profit or loss and the funded status and amounts recognized in the balance sheet for the respective plans:

Changes in the present value of the defined benefit obligation are, as follows:

Particulars	Gratuity Funded	Leave Encashment Unfunded
Defined benefit obligation at 31st March, 2019	76,28,814	-
Current service cost	23,96,358	-
Interest expense	5,56,903	-
Past service cost	-	-
Benefits paid	-	-
Actuarial (gain)/ loss on obligations	10,78,582	-
Defined benefit obligation at 31st March, 2020	1,16,60,657	-

Changes in the Fair value of Plan Assets are, as follows:

Particulars	Gratuity Funded	Leave Encashment Unfunded
Opening Fair Value of Plan Assets at 31st March, 2019	-	-
Actual Return of Plan Assets	-	-
Employer Contribution	-	-
Benefits paid	-	-
Closing fair value of Plan Assets	-	-
Opening Fair Value of Plan Assets at 31st March, 2020	-	-

Actuarial (Gain) / Loss on Plan Assets:

Particulars	31 st March 2020	31 st March 2019
Expected Interest Income	-	-
Actual Income on Plan Assets	-	-
Actuarial (Gain) / Loss on Assets	-	-

Other Comprehensive Income

Particulars	31 st March 2020	31 st March 2019
Opening amount recognized in OCI outside Profit & Loss account	-	-
Actuarial Gain / (Loss) on Liabilities	(10,78,582)	22,43,474
Actuarial Gain / (Loss) on Assets	-	-
Closing amount recognized in OCI outside Profit & Loss account	(10,78,582)	22,43,474

The Amount to be recognized in Balance Sheet Statement

Particulars	31 st March 2020	31 st March 2019
Present Value of Obligation	1,16,60,657	76,28,814
Fair Value of Plan Assets	-	-
Net Obligations	1,16,60,657	76,28,814
Amount Not Recognized due to assets limit	-	-
Net Defined Benefit Liability / (Assets) Recognized in Balance Sheet	1,16,60,657	76,28,814

Expenses Recognized in Statement of Profit and Loss

Particulars	31 st March 2020	31 st March 2019
Service Cost	23,96,358	21,51,591
Net Interest Cost	5,56,903	5,63,952
Expenses recognized in the statement of Profit & Loss	29,53,261	27,15,543

Change in Net Defined Obligations

Particulars	31 st March 2020	31 st March 2019
Opening of Net Defined Benefit Liability	76,28,814	71,56,745
Service Cost	23,96,358	21,51,591
Net Interest Cost	5,56,903	5,63,952
Re-measurements	10,78,582	(22,43,474)
Contribution paid to Fund	-	-
Closing of Net Defined Benefit Liabilities	1,16,60,657	76,28,814

Maturity Profit of Defined Benefit Obligation

Particulars	31 st March 2020	31 st March 2019
Year 1	1512296	12,763
Year 2	1740787	11,46,865
Year 3	1749623	13,37,380
Year 4	1588809	13,43,095
Year 5	1419960	12,19,231
After 5 th Year	7349833	63,97,048
Total	1,53,61,308	1,14,56,383

1.3.17 Investments:

Long term investments are stated at cost. In case, there is a decline other than temporary in the value of the investment, a provision for same is made. Current investments are valued at lower of cost or fair value.

1.4 Use of Estimates, Assumptions and Judgments

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures including the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require an adjustment to the carrying amount of assets or liabilities in future periods. Difference between actual results and estimates are recognized in the periods in which the results are known / materialize. The Company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1.4.1 Taxes

The Company provides for tax considering the applicable tax regulations and based on reasonable estimates. Management periodically evaluates positions taken in the tax returns giving due considerations to tax laws and establishes provisions in the event if required as a result of differing interpretation or due to retrospective amendments, if any. The recognition of deferred tax assets is based on availability of sufficient taxable profits in the Company against which such assets can be utilized. MAT (Minimum Alternate Tax) is recognized as an asset

only when and to the extent there is convincing evidence that the Company will pay normal income tax and will be able to utilize such credit during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Statement of Profit and loss and is included in Deferred Tax Assets. The Company reviews the same at each balance sheet date and if required, writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will be able to absorb such credit during the specified period.

1.4.2 Useful life of Property, Plant and Equipment

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.4.3 Impairment of Non-financial assets

Non-financial assets are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.4.4 Provision for decommissioning

In measuring the provision for ARO, the Company uses technical estimates to determine the expected cost to dismantle and remove the infrastructure equipment from the site and the expected timing of these costs. Discount rates are determined based on the risk adjusted bank rate of a similar period as the liability.

1.4.5 Provisions and Contingent Liabilities

Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Fair value of financial assets and financial liabilities

The management considers that the carrying amounts of non-current and current financial assets and liabilities recognized in the financial statements approximate their fair values.

Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Gearing ratio

The gearing ratio at end of the reporting period was as follows:

Particulars	31 st March 2020	31 st March 2019
Debt (i)	72,55,12,072	43,09,49,409
Cash and bank balances (including cash and bank balances in a disposal Company held for sale)	39,42,05,861	15,35,02,427
Net debt	33,13,06,211	27,74,46,982
Total equity	49,86,72,602	29,02,62,280
Net debt to equity ratio	0.66	0.93

(i) Debt is defined as long-term and short-term borrowings (excluding derivative and contingent consideration).

28.-Other Notes on Financial Statements.

(a) All the balance shown under the heads Trade Receivables, Trade Payables, Loans and Advances, Security Deposits, Other Current Assets, Other Current Liabilities and Unsecured Loans are subject to confirmation and reconciliation.

(b) Corporate Social Responsibility (CSR)

As the net worth of the company is below Rs. 500 crores, Turnover is below Rs. 1000 crores and Net Profit is more than Rs. 5 crores, provision of Section 135 of Companies Act, 2013 are applicable on the company.

(c) Figures have been taken to nearest rupees. Previous year figures have been regrouped / rearranged wherever considered necessary to make them comparable with the Current Year figures.

(d) Consumption of Raw Materials, Stores and Spares, Diesel, Furnace Oil, Lubricants and Power etc. have been considered in the accounts as made available by a Director of Company being technical in nature.

(e) Commitments

Particulars	31 st March 2020	31 st March 2019
Commitments to contribute funds for the acquisition of property, plant and equipment.	-	-

34.-Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company operates in a competitive environment and is exposed in the ordinary course of its business to risk related to changes in foreign currency exchange rates, commodity prices and interest rates. The fair value of future cash flows of sale of products manufactured and traded will depend upon the demand and supply.

35.- Credit Risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. It encompasses of both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks. Company's credit risk arises principally from the trade receivable and advances.

Trade Receivables:

Customer credit risk is managed by the company through established policy, procedures and controls relating to customer credit risk management. Credit quality of a customer is assessed based on financial position, past performance, business/economic conditions, market reputation, expected business etc. Based on that credit limits and credit terms are decided. Outstanding customer receivables are regularly monitored.

Trade receivables consists of large number of customers spread across diverse segments and geographical areas with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables. However The Company is not providing any credits to its customers.

Age of receivables: -

Particulars	31 st March 2020	31 st March 2019
Within the credit period (60-75 days)	-	48,737
Overdue	-	-
Total	-	-

NOTE: - 36 Tax balances: -

a) Deferred Tax: -

The following is the analysis of deferred tax assets/(liabilities) presented in the balance sheet:

Particulars	31 st March 2020	31 st March 2019

Income Tax Expenses charged	4,21,93,668	3,37,95,547

37.- Earnings per share:

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Particulars	31 st March 2020	31 st March 2019
Profit attributable to equity holders of the company:		
Continuing operations	21,03,36,126	10,89,65,508
Profit attributable to equity holders of the parent for basic earnings	21,03,36,126	10,89,65,508
Weighted average number of Equity shares for basic EPS	1,02,50,000	41,00,000
Weighted average number of Equity shares adjusted for the effect of dilution	1,02,50,000	41,00,000
Earnings per equity share of face value of Rs. 10 each (In rupees)(Previous		
Year Face Value of Rs. 10 each (In Rupees)	36.04	26.58
