**Subject: Company Update – Inspire Films Limited Signs Multiple IP Distributing Contract with one of the largest broadcasting networks in India**

---

Sir/Madam,

Inspire Films Limited is excited to announce a recent milestone in its business journey. We have successfully signed a significant deal with one of the largest broadcasting networks in India for the distribution of three web series to be broadcast in one of their prominent GECs. This collaboration marks a strategic opportunity for Inspire Films Limited to expand its reach and bolster revenue through the distribution and licensing business model.

Through this collaboration, Inspire Films Limited, as the distribution partner, is poised to bring innovative and captivating content to a wider audience. Leveraging our esteemed distribution capabilities and extensive reach, we are excited to expand the reach of three popular web-series and maximize their impact on viewership and engagement to the TV audience. This partnership signifies our commitment to delivering top-notch entertainment and creating memorable experiences for audiences worldwide.

The web series slated for distribution represent a diverse range of genres which include Crime Fiction, Action Thriller and Drama, promising to captivate audiences across various demographics. This will help in our company's growth, positioning us for substantial growth and revenue generation in the digital entertainment sector.
