To,
The Board of Directors of

1. Opinion

We have audited the Financial Results for the year ended March 31, 2026 and reviewed the Financial Results for the Half Year ended March 31, 2026 (refer 'Other Matters' section below), which were subject to limited review by us, both included in the accompanying "Statement of Financial Results for the Half Year and year ended March 31, 2026" of **INTEGRITY INFRABUILD DEVELOPERS LIMITED** ("the Company"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") including relevant circulars issued by the Securities and Exchange Board of India (SEBI) from time to time.

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- i. is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in Accounting Standards specified under Section 133 of the companies Act 2013 ("the Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India of the net profit and other financial information of the Company for the year then ended.

2. Basis for Opinion on the Audited Financial Results for the year ended March 31, 2026

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibility under those Standards are further described in Auditor's Responsibility for the Audit of the financial statements section of our report. We are independent of the company in accordance of with code of ethics issued by ICAI together with the independence requirement that are relevant to our audit of financial statement

under the provisions of the Act and the rule made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

We draw attention to Valuation of Inventories; the company has not maintained detailed records for inventory amounting to Rs. 360.12 Lakhs, including project-wise information on costs incurred to date and costs yet to be incurred. In the absence of this information, we are unable to verify the accuracy of the inventory value reflected in the financial Result or assess its potential impact. Our opinion is not modified in respect of this matter.

3. Management's and Those Charged with Governance Responsibilities for the Statement

This Statement has been prepared on the basis of the annual financial statements. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit / loss and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations including SEBI Circular. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

4. Auditor's Responsibility for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risk, and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentation, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedure that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Financial Results of the Company to express an opinion on the Annual Financial Results.

Materiality is the magnitude of misstatements in the Annual Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

5. Other Matters

The Statement includes the results for the Half Year ended March 31, 2026 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the first Half Year of the current financial year which were subject to Limited Review of Financial Statements conducted by us. Our report on the Statement is not modified in respect of this matter.
