Press Release

Intense Technologies receives the prestigious “Best SME with Global Footprint” award from Ministry of Commerce and Industry, Government of India.

October 4, 2021

Intense Technologies has been awarded the Best SME with Global Footprints 2021 by SME-Empowering India awards. The prestigious award recognizes the contribution of SMEs who through their achievements and growth have empowered the nation. Drawing inspiration from Indian Government’s Make in India vision, the award honors the contribution of companies, organizations, among others, who are an epitome of excellence in their field. Intense Technologies was chosen the winner after a rigorous nomination and evaluation process.

Mr. Phaneendra Maduri, VP, Sales Operations received the award on behalf of Intense Technologies from Smt. Anupriya Patel, Hon’ble Minister of State, Ministry of Commerce and Industry, Govt. of India. in a glittering ceremony held on 28th September 2021 in New Delhi.

On this occasion, Mr. C.K. Shastri, MD, Intense Technologies Ltd. said, “It’s truly an honour for Intense Technologies to receive the Best SME with Global Footprints award. Being recognized by the SME AWARDS for excellence, we look forward to helping drive digital efforts in India and empowering Indian businesses to innovate and scale through cutting-edge technologies such as low-code, AI and cloud even as we are making a huge global footprint. We have enabled clients across the globe from telecom, banks, insurance, to utilities and the Government sector to navigate their digital transformation. These recognitions are a testament to our commitment and constant endeavor towards bringing industry -leading solutions to our global clientele. I would like to congratulate everyone at Intense Technologies for earning this award.”

About the awards

With an objective of acknowledging the inestimable contributions by SMEs to various sectors of economy- “SME- Empowering India Awards” has been constituted. This award scheme seeks to recognize the contribution of such SMEs who through their achievements and growth have empowered the nation.
