Intense Technologies once again amongst Business Automation 'leaders' in Aspire Leaderboard

Hyderabad- May 27, 2019 : Intense Technologies is amongst Business Automation 'leaders' in the 2019 [Aspire Leaderboard](#) - a digital-first CCM vendor positioning portal developed by [Aspire](#).

Intense Technologies has been positioned as a 'Leader' in the 2019 Aspire Leaderboard [Business Automation](#) grid, and as 'Aspirational' in the Overall Leaders grid for [CCM](#), Communication Composition and [Omni-channel](#) orchestration.

On the occasion, Mr. Shastri, MD, Intense Technologies Ltd. said,

"We are honored to be a part of the Aspire Leaderboard for the second consecutive year and have been recognized for our platform UniServe™ NXT. UniServe™ NXT offers comprehensive solutions that help enterprises build business agility by focusing on business automation and customer communications which results in, improved revenues, reduced operational expenses and enhanced customer experience. This positioning adds greater credibility for Intense's growing customer base and reinforces our positioning as a strong player in customer experience and engagement for enterprises."

"Intense Technologies delivers a comprehensive offering that is particularly suited for business automation use-cases, based on strong data management and robotic software automation capabilities. We were particularly impressed with the way its Uniserve™ NXT platform successfully reduces collaboration friction between customer, business users, and IT thanks to a combination of software intelligence and agile delivery." - Kaspar Roos, Founder & CEO of [Aspire](#).
