Interarch Building Products Projects 50% Growth in North India, with Uttar Pradesh leading the growth

Lucknow, 20th December 2024: Noida (Uttar Pradesh) based Interarch Building Products Limited (BSE Code: 544232) (NSE: INTERARCH), a leading player in the Pre-Engineered Building (PEB) Industry, has projected a 50% growth in North India for FY 25-26, with the majority of this growth coming from Uttar Pradesh. The North region is expected to contribute 30% to the company's overall business volume during this period.

Mr. Manish Garg, CEO of Interarch Building Products Limited, said, "Our growth in North India highlights the region's potential for industrial development. We've executed major projects for brands like Hindustan Unilever, PepsiCo, Addverb Technologies, and Yamaha Motor, which have driven our success in the region.

Today, Mr. Garg is in Lucknow to visit the Ashok Leyland facility and oversee preparations for the erection of one of the largest PEB structures in the region. The company is involved in engineering, manufacturing, and erecting a large PEB facility for Ashok Leyland in Uttar Pradesh, focused on electric bus production, marking a significant step in sustainable transportation

He said " The Ashok Leyland project further reinforces our commitment to sustainable growth and innovation. We were born in Uttar Pradesh, and the state holds a special place in our hearts. Our connection to UP is not just professional but deeply emotional, and we are proud to contribute to its industrial growth."

In addition, Mr. Manish Garg will be the main speaker at the upcoming CGI (Closed Group Interaction) event, which the company is organizing. The event will be attended by leading architects, consultants and end users from the city and will be held at the Hotel Hyatt, Gomti Nagar.

Interarch is also undertaking significant capacity expansion at its Kichha plant to enhance its regional footprint.

About Interarch Building Products Limited **Interarch Pre- Pre-Engineered Buildings**

Interarch Building Products Limited commenced its operations in 1983. Today, 40 years later, Interarch is one of the leading turnkey pre-engineered steel construction solution providers in India with integrated facilities for design and engineering, manufacturing, and on-site project management capabilities for the installation and erection of pre-engineered steel buildings.

TRACDEK® Metal Roofing & Cladding System.

We manufacture world-class pre-engineered roofing and cladding systems designed to meet custom requirements. Our extensive portfolio includes the Hi-Rib Roofing & Cladding System, Klippon Roofing & Cladding System, and SS-2000 Standing Seam Roofing System. Each of these solutions is engineered to provide exceptional performance and durability, ensuring that we meet a wide range of needs with precision and reliability.

Trac® Ceilings

Our TRAC® range of metal ceilings are manufactured from fully recyclable materials and are pre-painted and prefabricated in our factory. The ceiling systems are friendly to handle and will not promote the growth of bacteria and fungi. TRAC® ceilings exhibit excellent corrosion resistance. They can withstand very high humidity (up to 100 %) and are suitable for use in outdoor applications.

Interarch Life: Non-Industrial Buildings

We offer a state-of-the-art solution for non-industrial buildings through our innovative load-bearing wall framing systems, crafted to support lightweight structures. Embracing a hassle-free drywall construction approach, these systems guarantee swift and efficient assembly, simplifying the construction process for our esteemed clients. With a focus on durability and safety, our load-bearing wall framing systems are engineered to be earthquake and termite-proof, providing robust protection for the structure and its occupants.

Moreover, these systems offer the flexibility of dismantling if required, providing adaptability for future changes or modifications. These structures can be custom-made according to the specific plans, accommodating varying shapes, sizes, and designs to meet the exact needs of customers.
