**SUB: Clarification for Financial results.**

Dear Sir / Madam,

This is with reference to your email dated June 25, 2026 regarding the discrepancy observed in the Paid-up Equity Share Capital and Earnings Per Share (EPS) figures appearing in the XBRL filing vis-a-vis the PDF version of the Financial Results submitted by the Company on May 26, 2026.

In this regard, we would like to clarify that due to an inadvertent clerical error, an incorrect figure of Paid-up Equity Share Capital was mentioned in the PDF version of the Financial Results **initially** submitted by the Company, which consequently resulted in a mismatch in the EPS disclosed therein. However, immediately upon identification of the said inadvertent error, the Company submitted a Corrigendum to the Outcome of Board Meeting along with the corrected EPS figures and necessary clarification on the same day, thereby rectifying the discrepancy.

We further confirm that the figures reported in the XBRL filing were accurate and based on the correct Paid-up Equity Share Capital and EPS. Accordingly, the figures contained in the XBRL filing are fully aligned with the Financial Results forming part of the Corrigendum submitted by the Company. Therefore, there is presently no discrepancy between the XBRL filing and the Financial Results available on record with the NSE and website of the Company.

The Company remains committed to ensuring timely, accurate and transparent disclosures to the stock exchanges, investors and all stakeholders.

We trust the above clarifies the matter. Kindly take the same on record.

We regret any inconvenience caused and appreciate your guidance on regulatory compliance.

Thanking you!!
